

Terms and Conditions

for the Collective Investment Account

*This product is provided by
Quilter Investment Platform Limited.*

These terms and conditions (including the schedules mentioned below) and the online Customer Centre terms and conditions (if you have agreed to those terms) together form a legally binding agreement between you, the account holder (or joint account holders), and us, Quilter Investment Platform Limited (Quilter), for the Collective Investment Account (the account).

Please read this **agreement** carefully. If there is anything that you do not understand, please ask for further information. Our contact details are below.

Terms that appear in bold are explained in the Glossary on pages 27-29.

The following schedules also form part of your **agreement** with us:

- the **Charges, fees and rebates guide**
- the **Account eligibility and requirements guide**.

The following documents also provide important information about your **account**:

- **Key Features Document**
- the Funds and **ETI** Lists.
- the **Key Information Documents** for your chosen **assets**
- the Costs and Charges Statement.

If you would like this **agreement** or any future correspondence in Braille, Moon Braille, Audio, Translation, Open Dyslexic font or large print, please contact us at:

Opening an account

1. Eligibility

- 1.1 The requirements for opening an **account**, including the minimum investment requirements and eligibility criteria, are set out in the **Account eligibility and requirements guide**.

2. Application

- 2.1 To open or top up an **account**, our current application must be completed and sent to us. This must be sent online by your **financial adviser** using our **adviser extranet**, unless we allow or request it in any other format such as a paper application.

- 2.2 Your application must be accompanied by a valid payment for your investment in pounds sterling. Valid payment methods are: a cheque, a bank transfer made to us, a Direct Debit **instruction** or (for online applications only) a debit card authorisation from a **UK** bank/building society.

See terms 20, 21, and 22 for more information about the **instructions** we accept. Please be aware that if you are sending payment for more than one application you need to send separate payments for each application, rather than sending us a single payment to be split.

- 2.3 If your application was made online, your **financial adviser** can provide you with details of the information sent to us on your behalf. You should check this information to make sure it is correct and you must tell your **financial adviser** or us if any corrections need to be made. Your **financial adviser** can also give you a form to sign to provide us with a specimen of your signature. Without it, there could be delays in carrying out your **instructions** in the future.

- 2.4 If your application is an **instruction to transfer**, we will only be able to accept your application when the **transfer** of at least one of the **funds** or **ETIs** is complete.

Please refer to term 8.7 for more information about **transferring** into your **account**.

- 2.5 If your application is unclear or incomplete, or we need more information from you, we will let you or your **financial adviser** know. You must provide the additional information or clarification we ask for. In the meantime, we will hold your payment in a **client money account**. If we have not received the additional information or clarification within ten **working days**:

- a) if we are just waiting for a revised **asset** choice, we will open your **account** and the relevant amount of your payment will be held as **cash** within your **account** until we receive valid **instructions** to **switch** it into one or more **funds** or **ETIs**; or
- b) in any other case, we may return the sum paid to us as part of your application.

- 2.6 We will not be able to accept your application until we receive proof of your identity and address and any other information we may reasonably need. For example, we may ask you to provide evidence of the source of the money for your investment and confirm your tax residency status and nationality.

- 2.7 If we accept your application, we will send you an **acknowledgement**.

- 2.8 We do not have to accept your application or give you a reason if we reject it. If we reject your application, we will refund any payment you have made.

- 2.9 Your **account** start date will be the **working day** on which we accept your application to open an **account**. We will notify you of your **account** start date in our **acknowledgement**. Your **account** start date may be earlier than the date on which we invest your payment.

- 2.10 If we have been asked to pay an initial fee to your **financial adviser**, we will only do this if we have first received confirmation of your authorisation in the format that we require. If we do not have confirmation of your authorisation to pay the initial fee, the fee will not be paid. The fee will be held as **cash** within your **account** until we receive the authorisation.

We require a new fee authorisation if:

- a) a monetary initial fee is requested
- b) the amount of a fee is increased; or
- c) a change is made between monetary and percentage fees.

3. Changing your mind

- 3.1 You have 30 days to cancel your initial application to open your **account**, starting from the date you receive our **acknowledgement**. You can do this by writing to us at our **postal address** or by communicating in any other format that we reasonably accept.

- 3.2 We will refund any Service Charge deducted from your **account**. No deduction will be made for any Service Charge calculated but not yet applied. We will also refund any Dealing Charges incurred on cancellation.

- 
- 3.3 We cannot repay any fees we have paid to your **financial adviser** or your **discretionary investment manager (DIM)** if you cancel your application. If the value of your investment has fallen during the cancellation period, you will only get back the fallen value of your investment, less any adviser and **DIM** fees already paid. If the value of your investment has increased during the cancellation period, you will only get back the amount that you invested, less any adviser and **DIM** fees already paid and we will keep any increase in the value. You should speak to your **financial adviser** about whether repayment of fees is appropriate in these circumstances.
- 3.4 If you cancel your application and your **account** is invested in a suspended **fund** or **ETI**, we will process your **instruction** to cancel but will only be able to return your investment in the active **funds** and **ETIs** subject to term 3.3. Once the suspension has been removed we will send you any amount owed subject to term 3.3.
- 3.5 If you have authorised an **adviser fee** or **DIM** fee but choose to cancel your application before payment of the fee is made you may be liable to pay the outstanding amount directly to your **financial adviser** or **DIM**.
- 3.6 If your application included an **instruction** to **transfer**, you will not be able to reverse that **instruction**. This means that if you change your mind, we can:
- transfer** to another product provider – it will be your responsibility to contact the other provider to arrange the **transfer**
 - close the **account** and send the proceeds to you.
- 3.7 Cancellation rights do not apply where you top up your **account** with the exception of **transfers** received from another **fund manager** or provider.

Please refer to the **Charges, fees and rebates guide** for information about the costs associated with **ETIs** as well as adviser and **DIM** fees.

Please refer to terms 16 and 17 for information about how to close or **transfer** your **account**.

Assets

4. Funds

- 4.1 You can invest into **funds** from our published Funds List.
- 4.2 If you select a **fund** which is not available, we will hold the amount allocated to that **fund** as **cash** within your **account**, until we receive your further **instructions**.
- 4.3 **Funds** may offer a choice of **income units** or **accumulation units**.
- 4.4 If you do not tell us which **unit** type you want to buy, we will buy **accumulation units**. If **accumulation units** are not available, we will buy **income units**.

5. Cash

- 5.1 You can choose to hold some or all of your investment as **cash** within your **account**. **Cash** may also be held within a **model portfolio**, described under term 7 or **Managed Portfolio** described under term 43.
- 5.2 **Cash** held within your **account** is pooled with cash held by other investors and is held by us, in a **client money account** with our external banking partners.
- 5.3 Interest on **cash** is calculated daily and paid or deducted (where the interest rate is negative) on the first **working day** of the month, at a rate set by us. Interest is only earned or deducted on **cleared cash** balances.

Details of our external banking partners and current interest rates are on our website. Interest rates are updated from time to time.

- 5.4 Interest earned on **cash** is subject to income tax at the savings rate. **HMRC** requires us to deduct tax before paying the interest.

Please speak to your **financial adviser** for more information about any additional tax you may have to pay.

6. Exchange traded instruments (ETIs)

- 6.1 You can invest into **ETIs** from our published ETI List.
- 6.2 If you select an **ETI** which is not available, we will hold the amount allocated to that **ETI** as **cash** within your **account**, until we receive your further **instructions**.
- 6.3 **ETIs** are purchased by our **stockbroker** and our Dealing Charge and associated costs apply for each transaction involving the purchase or sale of **ETIs**.

- 6.4 In exceptional circumstances we may not honour a transaction to buy an **ETI**. For example if we deem an **ETI** to be difficult to sell (such as daily trading numbers or amounts are very low) or if the transaction could result in our becoming a majority holder in the **ETI**. We will notify you when this applies. In such an event your investment amount will be held as **cash** within your **account** until we receive alternative **instructions**.
- 6.5 Prior to accepting your **instruction** to invest in **ETIs** you may be asked to provide additional information to us including national identity/insurance number and nationality. If this is not provided with the **instruction** we will hold the amount allocated to **ETIs** as **cash** within your **account**.
- 6.6 Prior to accepting your instruction to invest in **ETIs**, legal entities including trusts, companies and charities will be required to confirm their Legal Entity Identifier. If this is not provided we will hold the amount allocated to **ETIs** as **cash** within your **account**.

7. Adviser and discretionary managed model portfolios

- 7.1 Your **financial adviser** and **DIM** may provide **model portfolios** into which you can invest.
- 7.2 Your **financial adviser** and **DIM** may use any combination of the assets covered in terms 4, 5 and 6 to build these **model portfolios**.
- 7.3 For providing **model portfolios**, your **DIM** may apply an additional fee to your **account**. This is described as a **discretionary management portfolio fee**. Your **financial adviser** will be able to confirm the amount of any applicable **discretionary management portfolio fee**.
- 7.4 Once invested into a **model portfolio**, any additional investments made into the **model portfolio** follow a preference set by your **financial adviser** or **DIM**. This will either be to invest in **funds** and **ETIs** within the model to bring the model back to its target allocation (or closer to it) or to invest into **funds** and **ETIs** in line with the target allocation.
- 7.5 Once invested into a **model portfolio**, any sales from the **model portfolio** to cover withdrawals, fees and charges follow a preference set by your **financial adviser** or **DIM**. This will either be to sell **funds** and **ETIs** within the model to bring the model back to its target allocation (or closer to it) or to sell **funds** and **ETIs** in line with the current proportions within the **model portfolio**.

Your **financial adviser** may agree with you to or your **discretionary investment manager** may choose to rebalance your **model portfolio** regularly. Rebalancing is the process of periodically buying or selling assets in a **model portfolio** to maintain an original desired level of asset allocation. For details of the charges please see the **Charges, fees and rebates guide**.

8. Investing in your account

- 8.1 You can **instruct** us to invest in your **account** by:
 - a) making a lump-sum investment
 - b) making a regular investment
 - c) **transferring funds** and **ETIs**.
- 8.2 For lump-sum, regular and **cash transfer** investments, we use your investments (less any applicable charges and **adviser fees**) to buy **units** on your behalf in the **funds** and **ETIs** you have selected, by liaising with the **fund manager(s)** and our **stockbroker** to transmit your **instructions** to them. The number of **units** allocated to each **fund** or **ETI** will be determined by dividing the value of the investment allocated to that **fund** or **ETI** by the relevant price of the **units** on the day they are bought.
- 8.3 Where you have chosen to invest in **ETIs** they can only be purchased in whole **units**. Any residual value will be held as **cash** within your **account**. This could result in no **units** being purchased where the investment amount is less than the cost of one **unit**. Where this happens we will not take our Dealing Charge.

For example, if you ask to invest £10,000 in an **ETI** with a price of £1.79 we will purchase 5,586 **units** for £9,998.94 with the remaining £1.06 being held as **cash**. This example does not include our Dealing Charge and associated costs which would apply prior to the calculation of **units** to purchase.

For details of the charges please see the **Charges, fees and rebates guide**.

- 8.4 We may process your **instruction** to make an initial or top-up investment before your payment has cleared. If your payment does not clear, the bank does not honour your payment or your payment is cancelled for any reason, we will cancel any investments we have made and you will be liable to us for our losses if the value of the investment has fallen. We will keep any increase in the cancelled investment value. In the case of top-up investments, we can recover the value of our loss and charges from your **account**.
- 8.5 **Lump-sum investment**

You can pay lump-sum investments into your **account** by cheque, bank transfer or (for online applications only) debit card.

8.6 Regular investments

- a) If you want to make regular investments into your **account**, these must be by Direct Debit except for the first payment, which you may pay by cheque, bank transfer, or (for online applications only) debit card instead.
- b) Direct Debits will be collected on your chosen date and frequency. You can request any date from the 1st to the 28th and the frequency can be annual or monthly.
- c) If your chosen collection date does not fall on a **working day**, we will take the payment on the next **working day**.
- d) If we receive your Direct Debit **instruction** less than ten **working days** before your chosen collection date, we cannot guarantee that it will take effect from that date.
- e) You can cancel or change a Direct Debit **instruction**, or **instruct** us to **redirect** a regular investment at any time. If we receive your **instruction** less than ten **working days** before the next Direct Debit collection date, we cannot guarantee that it will take effect from that date.
- f) If you change your Direct Debit amount for a regular investment, we will continue to buy **funds, cash** or **ETIs** on the current percentage basis unless you **instruct** us otherwise. If you increase the Direct Debit amount and give us new **instructions**, these must relate to the whole of your revised regular investment and not just the change.
- g) Up to two concurrent regular investments can be made to your **account** at any time. A maximum of one **account holder** investment, and one third-party investment can be made at any time. Each investment can have a different collection date and frequency.

Please refer to term 10 for information about what happens to regular investments when you **switch funds** or **ETIs**.

8.7 Transferring into your account

- a) You can **transfer** into your **account** by instructing a **cash transfer** or by **re-registering** a **fund** or **ETI** that you hold directly with a **fund manager** or with another provider.
- b) **Re-registration** of a **fund** or **ETI** must be for all of the **units** in the **fund** or **ETI** that you hold with the **fund manager** or provider.
- c) If you request the **re-registration** of a share class of a **fund** and we offer a different share class which is better value for example a lower annual management charge (AMC), we will request the **fund manager(s)** of the **fund(s)** to carry out a conversion to the better value share class shortly after the **transfer**.
- d) If you request the **re-registration** of a **fund** or other asset that is not on our Funds List or ETI List, we will carry out a **cash transfer**, which means the **fund** or other asset will be sold and the cash proceeds will be held in **cash** in your **account** until we receive valid **instructions** to **switch** it into one or more **funds** or **ETIs**.
- e) When you request the **re-registration** of an **ETI** into your **account** we will only accept electronic **units**. We will not accept paper share certificates.

If any **funds, ETIs** or other assets that cannot be **re-registered** are sold, this may give rise to a capital gains tax charge. You should ask your **financial adviser** if you have any questions about tax.

- f) We might receive income from a **fund manager**, or your previous provider, which was generated by your **funds** or **ETIs** before they were **transferred** to us, if this happens, we will act as below.
 - If we receive such income as a cash payment, it will be held as **cash** within your **account**
 - If we receive such income as additional **units**, we will add the extra **units** into your **account**.
- g) When **funds** or **ETIs** are **re-registered**, the number of **units re-registered** will usually be the same as previously held but the value may change due to market movements during the **re-registration** process. The number of **units re-registered** may be different if the **fund manager** or your previous provider has applied a charge prior to the **re-registration** taking place.
- h) Where a **fund** or **ETI** is being **re-registered** into your **account**, the **re-registration** must be completed before we can process any subsequent **instructions** in relation to that **fund** or **ETI**. We will notify you when the **re-registration** of a **fund** or **ETI** is complete.
- i) Where you **re-register ETIs** into your **account**, they can only be **transferred** in whole **units**. Any residual **units** will need to be sold and **transferred** as cash.

9. Phased investment

- 9.1 You can **instruct** us to **phase** a lump-sum or **cash transfer** investment or any value held in **cash** into **funds** and **ETIs** (including **model portfolios** and **Managed Portfolios**) in your **account**. We will hold your investment as **cash** then **phase** your investment into your chosen **funds** and **ETIs** over 3, 6 or 12 months as specified in your **instruction**.
- 9.2 You can choose the month you want the **phasing** to start. We will calculate your first instalment on the first **working day** of that month. However, if we receive your **instruction** less than ten **working days** before the required start date, we cannot guarantee that it will take effect for that month.
- 9.3 If you do not specify a start month, we will calculate your first instalment on the first **working day** of the month after we receive your **instruction**. However, if we receive your **instruction** less than ten **working days** before the first **working day** of the next month, we cannot guarantee that your **instruction** will take effect for that month.
- 9.4 We will calculate each **phased investment** instalment by dividing the investment by the number of months you specify at the time of giving the **instruction**. If the calculation results in more than two decimal places each instalment will be rounded down to two decimal places. Any excess from this rounding will be held as **cash** within your **account**. Where deductions have been made from **cash** since giving the **instruction** to **phase**, for example to cover fees and charges, the final instalment of your **phased investment** may be less than other months.
- 9.5 We will liaise with the **fund manager(s)** and our **stockbroker** to transmit your **instructions** to them for each **phased investment** instalment on the first **dealing day** of the month. Each **phased investment** instalment into **ETIs** is subject to our Dealing Charge and associated costs.
- 9.6 Your **instruction** to **phase** will continue until completed or cancelled. You can cancel an **instruction** to **phase** at any time. However, if we receive your **instruction** less than ten **working days** before the next calculation date, we cannot guarantee that your cancellation will take effect for that month.
- 9.7 Your **instruction** to **phase** will also be cancelled if:
- there is no **cash** when **phasing** is due to occur
 - you **switch** your entire **account** (including **cash**) into different **funds** and **ETIs** to those selected for your **phased investment**
 - the **model portfolio** selected for your **phased investment** is closed
 - we are notified of the death of the sole or last surviving **account holder**
 - you **transfer** 100% of your **account** to another party.

Changing assets within your account

10. Switching and redirecting

- 10.1 You can **instruct** us to **switch** either:
- a percentage of your investment in a **fund**, **ETI** or **cash** (including **model portfolios** and **Managed Portfolios**); or
 - a specified monetary amount held in a **fund**, **ETI** or **cash** (including **model portfolios** and **Managed Portfolios**)

We will carry out your **instructions** by communicating them to the **fund manager(s)** (where **funds** are being **switched**) and our **stockbroker** (where **ETIs** are being **switched**) on your behalf.

- Please refer to the **Account eligibility and requirements guide** for more information about the restrictions on **switching**.
- Please refer to term 29 for what happens if a **fund** or **ETI** is closed or suspended.

- 10.2 If you have an existing **instruction** to make a regular investment into a **fund** or **ETI** or if you are **phasing** an investment into a **fund** or **ETI**, an **instruction** to **switch** from that **fund** or **ETI** only applies to the **units** you hold at the time of the **instruction**, and not the regular or **phased investment** itself. We will continue to use the regular or **phased investment** to buy **units** in the original **fund** or **ETI**, by liaising with the **fund manager(s)** or our **stockbroker** to transmit the **instructions** on your behalf, unless you **instruct** us otherwise.
- 10.3 If you **instruct** us to **switch** to or from multiple **funds** or **ETIs** (including **model portfolios** and **Managed Portfolios**), we will treat this as one **instruction**. This means that if we cannot complete any part of that **instruction** we will delay processing it until all of the **switches** can be completed.

- 10.4 Where you **instruct** us to **switch**:
- a) a percentage from **funds, cash** and **ETIs** (including **model portfolios** and **Managed Portfolios**) we will buy the new **units** on the first **dealing day** after all of the sales have been confirmed and we receive confirmation from the **fund managers** and our **stockbroker** of the relevant price for each sold **fund** and **ETI**. It may take up to five **dealing days** to complete your **instruction**
 - b) a specified monetary amount
 - i) held in a **fund(s)** or **cash** (including **model portfolios** and **Managed Portfolios**) we will send **instructions** to the **fund managers** to buy the new **units** at the same time as we send **instructions** to the **fund managers** to sell the existing **units**
 - ii) held in **ETIs** (including **model portfolios** and **Managed Portfolios**) we will send **instructions** to buy the new **units** the same **working day** or the **working day** after we send the **instruction** to our **stockbroker** to sell the existing **units**.
- 10.5 **ETIs** can only be purchased in whole **units**. Therefore if you choose to **switch ETIs**, we will apply the following rules for the **switch**:
- where **ETIs** are being sold we will round up the number of **units** sold
 - where **ETIs** are being purchased we will round down the number of **units** bought.
- Where this rounding results in a residual value this will be held as **cash** within your **account**. This could result in no **units** being purchased where the purchase amount is less than the cost of one **unit**.
- 10.6 You can **instruct** us to change ('redirect') the **assets** bought with future regular investments at any time. If we receive your **instruction** less than ten **working days** before the next Direct Debit collection date, we cannot guarantee that it will take effect from that date.

Please refer to term 22 for information about when we process your instructions.

Distributions of income

11. Reinvestment of income

- 11.1 If you have invested in **income units** of a **fund**, or invest in **ETIs**, any related income received will be **reinvested** into your **account** under term 11 unless you choose to receive **income payments** in accordance with term 12. You can choose one of the following income **reinvestment** options:
- a) **reinvest** the income into the **fund** or **ETI** from which it was paid, up to ten **working days** after we receive it, or
 - b) hold the income as **cash** within your **account**.
- If the **fund** or **ETI** is part of a **model portfolio** or **Managed Portfolio**, and 11.1(a) is chosen by your **financial adviser** or **DIM** then the income will be **reinvested** into the **model portfolio** or **Managed Portfolio** in line with term 7.4. If the **model portfolio** or **Managed Portfolio** has been closed by your **financial adviser** or **DIM** then the income will be held as **cash** within your **account**.
- 11.2 We may **reinvest** income into a **fund** or **ETI** within your **account** after we have processed an **instruction to switch** all of your **units** out of that **fund** or **ETI**. If this happens, the **units** bought with the **reinvestment** will remain in the original **fund** or **ETI** until you **instruct** us to **switch** it.
- 11.3 Where we are unable to invest income into the **fund** or **ETI** from which it was paid it will be held as **cash** within your **account**.
- 11.4 **Reinvestment** of **ETI** income is subject to our Dealing Charge and associated costs.

12. Income payment

- 12.1 If you have invested in **income units** of a **fund** or invest in **ETIs**, you can choose to receive the income generated rather than have it **reinvested**. This option is called **income payment**. Interest earned on **cash** is also included within this option.
- a) Where **income units** or **ETIs** are held within a **model portfolio**, income generated from within the **model portfolio** may not be included within your **income payment**. This will depend on the preferences of your **financial adviser** or **DIM** providing the **model portfolio**.

12.2 If you choose this option, income (including interest earned on cash) will be paid to a bank account nominated by you:

- a) immediately when we receive and process it,
- b) or you can choose to receive it on a monthly, quarterly, half-yearly or yearly basis.

Where option b) is chosen:

the first payment will be on the first **working day** of the month after we have carried out your **instruction**, or the first **working day** of the following month if there are less than ten **working days** until that day. Subsequent payments will be made in line with your chosen frequency on the first **working day** of the relevant months.

If no income has been earned during the period no payment will be made.

See term 15 for information about how payments will be made.

12.3 If you **switch funds** entirely into **accumulation units**, or you no longer hold any **income units**, **cash** or **ETIs** in your **account**, **income payments** will stop once the last **income payment** received from your previous **funds** has been paid. If you subsequently **switch** back into **income units** or **ETIs** or top up with **income units** or **ETIs**, payments will start again unless you have cancelled your **income payment instruction**.

12.4 You can cancel your **instruction** to receive **income payments** at any time. Subsequent income generated by any **income units** or **ETIs** in your **account** will then be **reinvested** in line with term 11.

Withdrawals

13. Regular withdrawals

13.1 You can **instruct** us at any time to pay you regular withdrawals from your **account**.

13.2 You can choose to take regular withdrawals as:

- a) a percentage of the value of your **account**, or
- b) a specified monetary amount.

13.3 We will raise the money to pay your regular withdrawals in one of the following ways, as specified in your **instruction**:

- a) by selling proportionally from all **assets** (unless they make up 2% or less of the **account** value) in your **account** (including **cash**, **ETIs**, **model portfolios** and **Managed Portfolios**), based on the value of your **account** at the time of sale
- b) by selling from specific **funds**, **cash** and **ETIs** (including **model portfolios** and **Managed Portfolios**).

13.4 If you do not specify your preference, we will sell in accordance with 13.3(a).

13.5 If for any reason we are unable to raise the money to pay for your regular withdrawal in line with term 13.3(b) we will sell in accordance with 13.3(a)

13.6 We will sell **units** to pay for regular withdrawals up to ten **working days** before the payment date. We will hold the withdrawal payment as **cash** within the **account** pending payment to you.

13.7 Each regular withdrawal must be at least the minimum regular withdrawal amount.

Our minimum regular withdrawal amount is set out in our **Account eligibility and requirements guide**.

13.8 We will pay regular withdrawals to a bank account nominated by you on your chosen payment date of each month specified in your **instruction**. You can choose any payment date from the 1st to the 28th.

13.9 You can choose the start month for your regular withdrawals and we will make your first payment on your chosen payment date of the first month specified in your **instruction**. However, if we receive your **instruction** less than ten **working days** before your chosen start date, we cannot guarantee that it will take effect for that month. If you do not specify a start month, we will start your withdrawals on the next available of the payment months you have chosen.

13.10 Where your chosen payment date is not a **working day** we will pay your regular withdrawal on the last **working day** before that date.

13.11 For regular withdrawals of a specific amount of money, you can **instruct** us to increase the amount by 5% each year or by the increase in the Retail Prices Index (RPI) as published by the Office for National Statistics. The increase will take effect on each anniversary of your first regular withdrawal. If you **instruct** us to use the RPI, we will use the RPI rate most recently published at that time.

13.12 If your **instruction** includes selling **ETIs**, we will only sell whole **units**. This may result in selling more than you **instructed**. Any excess raised from selling **ETIs** above your requested payment amount will be held as **cash** within your **account**.

- 13.13** If your **instruction** includes selling **ETIs**, our Dealing Charge and associated costs will be deducted from the proceeds before making payment to you
- 13.14** You can cancel or change an **instruction** to pay you a regular withdrawal at any time. If we receive your **instruction** less than ten **working days** before your next regular withdrawal date, we cannot guarantee that it will take effect for that month.
- 13.15** Regular withdrawals will be cancelled if your **account** value falls below your regular withdrawal amount. Where this happens we will not make a part payment to you.
- 13.16** Regular withdrawals will be cancelled if the only **fund** or **ETI** held in your **account** is suspended as described in term 29.2. If you wish to recommence after the suspension has been removed, you will need to **instruct** us to do so.

14. Single withdrawals

- 14.1** You can **instruct** us at any time to pay you a single withdrawal from your **account**. Once you have given us your **instruction** you cannot cancel it.
- 14.2** You can choose to take your single withdrawal as:
- a percentage of the value of your **account**;
 - a specified amount of money; or
 - a percentage of the value of one or more **funds** and **ETIs** (including **model portfolios** and **Managed Portfolios**).
- 14.3** We will raise the money to pay your single withdrawal in the following ways, as specified in your **instruction**:
- by using **cash** held in your **account**;
 - by selling **units** in all of your **funds**, **cash** and **ETIs** proportionally based on the value of your **account** at the time of sale;
 - by selling **units** from specific **fund(s)** and **ETI(s)** (including **model portfolios** and **Managed Portfolios**).
- 14.4** If you do not specify your preference, we will sell **units** in accordance with 14.3(b).
- 14.5** Unless you have **instructed** us to sell all **units** in a **fund** or **ETI**, you can only withdraw up to the maximum amount allowed from that **fund** or **ETI**.
- 14.6** If your **instruction** is to sell **units** from specific **fund(s)** and **ETI(s)** and the value of a **fund** or **ETI** falls after we have accepted your instruction leaving insufficient value to pay your single withdrawal, we will raise the shortfall in line with section 1 of the **Charges, fees and rebates guide**
- 14.7** If your **instruction** includes selling **ETIs**, we will only sell whole **units**. This may result in selling more than you **instructed**. Any excess raised from selling **ETIs** above your requested payment amount will be held as **cash** within your **account**.
- 14.8** If your **instruction** includes selling **ETIs**, our Dealing Charge and associated costs will be deducted from the proceeds before making payment to you
- 14.9** You will receive the payment of your single withdrawal within ten **working days** of our starting to carry out your **instruction**.

- Please refer to the **Account eligibility and requirements guide** for details of our maximum and minimum withdrawal amounts.
- Please refer to term 22 for information about when we process your **instructions**.
- It is possible to carry out a partial **re-registration** to another provider. Please see term 17.

15. Payment of income and withdrawals

- 15.1** Except as set out in this term, we will only make payments to you. However, if you **instruct** us to do so, we may agree to make payment to another **UK** financial institution, your **financial adviser** or your solicitor on your behalf, provided they are allowed to hold client money.
- 15.2** If the **account** is held jointly, any written **instruction** to pay your withdrawal must be signed by all **account holders**. Payment in accordance with your **instructions** to one **account holder** will discharge our obligations to all **account holders**.
- 15.3** If the **account** is held in the name of a corporate entity, the **instruction** must be signed by the authorised signatories and we will only make payment to a **UK** bank account in the name of that corporate entity.

- 15.4** If you hold your **account** on trust an **instruction** to pay your withdrawal must be signed by all trustees.
- a) If the trust is for a pension scheme, we will only make payments to the trustee **UK** bank account.
 - b) For other types of trust, you may **instruct** us to make payments to a **UK** bank account in the name of:
 - i) the trust
 - ii) one or more of the trustees; or
 - iii) one or more beneficiary, provided:
 - the beneficiary is at least 18 years old
 - we receive acceptable proof of the beneficiary's identity.
- 15.5** Payments will be made in pounds sterling by electronic bank transfer.
- 15.6** We may agree to pay by **CHAPS**, in which case we will deduct a **CHAPS** charge.
- 15.7** If a payment is returned to us by your bank we will make reasonable attempts to arrange an alternative payment method with you.

It may take up to five **working days** for us to receive the sale proceeds from the **fund managers** and our **stockbroker**. It may then take a number of days before the money reaches your bank account. We will pay the sale proceeds as one amount once we receive them all. Typically this process can take up to ten **working days**.

Please refer to the **Charges, fees and rebates guide** for details of the **CHAPS** charge.

Closing your account

16. Closure by you

- 16.1** You can close your **account** by **instructing** us to pay you a withdrawal of the total value of your **account** or to **transfer** all of the **funds**, **ETIs** and **cash** in your **account** to another provider or another **account holder**. Once you have given us your **instruction** you cannot cancel it. Once your **account** is closed, we cannot reinstate it.

17. Transferring funds and ETIs from your account

- 17.1** You can **transfer funds** and **ETIs** in your **account** by **re-registration** to another provider that accepts **re-registration** or into your own name. You can **re-register** either individual **funds** and **ETIs** or all of the **funds** and **ETIs** in your **account**.
- 17.2** To **transfer** to a new provider you must **instruct** the new provider first and give them your authority to carry out the **transfer**. The new provider will send us confirmation of your authorised **instructions** and the required method of **transfer** for each **fund** and **ETI** within your **account**.
- 17.3** When we receive an **instruction** to **transfer** to a new provider, we will treat that **instruction** as providing us with your authority:
- a) to request the **fund manager** of each **fund** to carry out any conversion to a share class that is available to the new provider (where the current one held isn't offered); and
 - b) to take any other reasonable steps to bring about that conversion, in each case, as required to enable the **transfer** of any such **fund**.

If a **fund** or **ETI** being **transferred** from your **account** cannot be **re-registered** for any reason, we may be **instructed** by the new provider to sell the **fund** or **ETI** and carry out a **cash transfer** instead. Our **Dealing Charge** and associated costs will apply where **ETIs** are sold as part of a **transfer**.

- 17.4** To **re-register funds** into your own name, you must instruct each **fund manager** first and give them your authority to carry out the **re-registration**. Each **fund manager** will send us confirmation of your authorised **instructions**.
- 17.5** If we incur any costs in **transferring funds** and **ETIs**, may, with your agreement, pass these costs on to you by deducting them from your **account** before carrying out the **transfer**.
- 17.6** If we accept an **instruction** to **transfer funds** and **ETIs** from your **account**:
- a) and there are transactions in progress for your **account**, we will not be able to carry out the **transfer** until those transactions are complete
 - b) we will not be able to accept any new **instructions** for the **funds** and **ETIs** in your **account**.
- 17.7** You cannot cancel a **transfer** once you have given the other provider your authority to transfer.

18. Closure by us

18.1 We can close your **account**:

- a) if we decide to stop providing the services described in this **agreement**, in which case we will give you a minimum of 30 days' notice

We would only do this in exceptional circumstances, for example, if we consider it to be financially inappropriate to continue to provide the services.

- b) if you are, or we reasonably suspect you may be, using your account for an illegal purpose;
- c) if you are, or we have reason to suspect you may be, acting fraudulently;
- d) if you exhibit threatening, abusive or violent behaviour towards our employees, either face-to-face, over the phone or in correspondence;
- e) if we reasonably believe you have applied for the account using falsified information or documents;
- f) if you repeatedly fail to provide us with reasonable information or documents enabling us to comply with our legal and regulatory obligations;
- g) if we reasonably conclude that by continuing to keep the account in force, we may break a law, regulation or Court Order and where such consequence could lead to action against us or to our criminal prosecution.

18.2 If we close your **account**:

- a) we will notify you in advance and your **account** will close on the date specified in the notice; and
- b) unless you **instruct** us to **transfer** the **funds** and **ETIs** in your **account** to another provider, we will pay you a withdrawal of the total value of your **account** (less any applicable charges) by electronic bank transfer.

19. General closure provisions

19.1 When closing your **account** we will first complete all **instructions** being processed at the time. Closing your **account** does not affect any existing rights or duties under this **agreement**.

19.2 If you pay regular investments into your **account**, we will need to wait for the last Direct Debit payment to clear before making payment to you.

19.3 At the point of closure we will add to the closure proceeds any interest earned on cash within your **account** but not yet applied.

19.4 At the point of closure we will deduct from the closure proceeds any fees and charges, or interest deductions, which have accrued to the point of closure but not yet been deducted. Any debit balance described in section 1.2(c) of the **Charges, fees and rebates guide** will also be deducted from the closure proceeds.

19.5 If we have agreed to pay the closure proceeds by cheque, and the cheque is then not banked, we will hold the money in a **client money account** for six years without interest. After this time we reserve the right to pay it to our chosen charity. We will pay the money to you or your representatives, if a valid claim is later received.

19.6 Any income or **rebates** we receive for your **account** after it has already been closed, or **transferred**, will be held as **cash** within the **account** until 90 days after closure. Provided there is an amount held in **cash** following 90 days:

- a) if your **account** was **transferred** to another provider, it will be sent to the new provider as a final payment if it is more than our minimum for **transfers** to other providers. If it is under this minimum, it will be paid to you
- b) if your **account** was closed, or the ownership was transferred to another party, it will be paid in accordance with the **instructions** you gave for closing or transferring the ownership of your **account**.

Our minimum amounts are set out in the **Account eligibility and requirements guide**.

19.7 We may keep any balance of £10 or under and treat it as a miscellaneous charge.

- See term 15 for information about how payments will be made.
- It may take up to five **working days** for us to receive the sale proceeds. It may then take a number of days before the money reaches your bank account.
- See term 29 for information about what happens if a **fund** or **ETI** is suspended.
- For details of the charges please see the **Charges, fees and rebates guide**.

Instructions

20. Sending instructions to us

- 20.1 All **instructions** in relation to your **account** must be in a format reasonably acceptable to us and be accompanied by any necessary supporting documents and payment if applicable.
- 20.2 **Instructions** must be submitted online using our **online Customer Centre** or **adviser extranet** or, if we require paper **instructions** and/or supporting documents, sent by post to our **postal address**.

Your **financial adviser** will be able to give you more information about when an **instruction** must be submitted in writing.

21. Accepting your instructions

- 21.1 We may require you to provide proof of identity and address, or any other information we may reasonably need before we are able to accept your **instruction**. We may require you to provide evidence of the source of the money for any investment.
- 21.2 We will not accept an **instruction** if:
- a) it does not comply with the requirements in the **Account eligibility and requirements guide**
 - b) it means we will be in breach of any law or regulatory requirement
 - c) it would be reasonable for us to reject it for example where the **instruction** is illegible or unclear.

22. Processing instructions

- 22.1 If we receive an **instruction** which involves buying and/or selling **units**, we will arrange the transaction for you by sending **instructions** to the **fund manager(s)** on your behalf. We will submit that **instruction** by the time indicated in the table. These timescales also apply to **instructions** which involve buying and/or selling **ETIs**:

Form of instruction	Time
Adviser extranet and online Customer Centre	The end of the next working day after it has been acknowledged by our system, or the end of the next working day after we accept the instruction , if later.
Post (other than recorded and special delivery)	The end of the working day after the working day on which it is received at our postal address , or the end of the next working day after we accept the instruction , if later.
Other (including courier/hand delivery/recorded and special delivery)	The end of the second working day after the working day on which it is received at our postal address , or the end of the next working day after we accept the instruction , if later.

Instructions for funds only

- 22.2 The **unit** prices you receive for **funds** will be those that apply on the **dealing day** on which the **fund manager** acts on your **instructions**. We aggregate our customers' transactions. As a result of this the **fund manager** may apply a special price on large transactions. This will be reflected in the **unit** price all parties to the transaction receive.
- 22.3 As we aggregate our customers' transactions when trading in **funds**, as described in term 22.2, there are occasions where there may be a small discrepancy in the total number of **units** bought or sold with the **fund manager** and the amount allocated to individual accounts. Where this aggregate difference in **units** is equivalent to £5 gross of tax or less we will not apply the difference and will take the following action:
- where the **unit** holding (and value) is positive (meaning that the aggregate number is more than the amount allocated to individual accounts), we will sell the excess **units** and pay the proceeds to a corporate bank account, pending payment to our chosen charities
 - where the **unit** holding (and value) is negative (meaning that the aggregate number is less than the amount allocated to individual accounts), we will provide the additional **units** at our expense.
- 22.4 We will distribute to customers any cash arising due to the aggregation and disaggregation of trades or in the event of a corporate action affecting them. Where a discrepancy arises and the remaining cash cannot be shared between customers, sometimes referred to as 'penny roundings', we will transfer the residual cash to a corporate bank account, pending payment to our chosen charity.

- **The fund managers** will typically carry out your **instructions** to buy and sell **units** at the dealing point after the next cut-off time following their receipt of the **instruction**.
- The price for a **unit** in a **fund** may be different on each **dealing day**.
- On some occasions it may take longer to confirm a price for the trade from a **fund manager**, which means that it may take several days to complete a transaction.
- More information is on the **fund** information pages of our website at platform.quilter.com/funds

Instruction for ETIs only

- 22.5** We will only accept **instructions** for **ETIs** available on our published ETI List.
- 22.6** We reserve the right to sell any **ETIs** held within your **account** which are not on our published ETI List, for example as a result of a corporate action. Where we do this the proceeds will be held as **cash** within your **account**. Alternatively, we may allow the **ETI** to remain within your **account** but we will not allow further investment into it.
- 22.7** Our **stockbroker** holds **client money** in the course of settling purchases and sales on behalf of our customers.
- 22.8** There may be times where it is not possible to buy or sell an **ETI** in accordance with your **instructions**. Examples of this may include:
- a) the market being closed
 - b) lack of liquidity
 - c) the size of the buy or sell **instruction**
 - d) unexpected volatility of the **ETI**
 - e) an event covered under term 37.4
- 22.9** **Instructions** are aggregated with other customers' transactions and facilitated by our **stockbroker** twice daily. Please refer to our published ETI List for further details.
- 22.10** As a result of aggregating **instructions**, the market price received may be affected. This will be reflected in the **unit** price all parties to the transaction receive. Depending on the size of the aggregated transaction, a **PTM levy** may apply.

For details of the charges please see the **Charges, fees and rebates guide**.

- 22.11** Where excess **units** remain following the aggregation and disaggregation process, they will be allocated to customers based on the value of their transaction. You may therefore receive a maximum of one additional **unit**. The additional **units** are allocated to customers with the highest value transactions until all excess **units** have been allocated. Where the additional **unit** is allocated to you, you will be charged for this additional **unit** based on the price for the aggregated transaction.

General conditions applicable to both fund and ETI transactions

- 22.12** Where you ask us to carry out a number of transactions in one **instruction** or where you send us a number of **instructions** at the same time, we cannot guarantee the order in which we carry out those transactions and it may not be possible to process them all on the same **working day**. In some circumstances, it may take a number of **working days** to complete all transactions.
- 22.13** We can only carry out one transaction involving buying or selling **units** at a time, even if the **funds** or **ETIs** in the first and subsequent transactions are different. This means that where we are carrying out a number of transactions involving buying or selling **units**, whether or not **instructed** by you, your **financial adviser** or **DIM**, it may take a number of **working days** to complete the first transaction and start the second.
- 22.14** Where we receive an unusually large number of **instructions** in a **working day** we may not be able to start carrying out your **instruction** for up to three **working days** after we accept it.
- 22.15** In exceptional circumstances outside of our control, we may delay starting to carry out your **instructions** until the earliest **working day** that is appropriate and reasonable. This could happen if, for example, no accurate price is available, there has been a significant change to the **fund** or the exchange or the **ETI** is unavailable to trade.
- 22.16** Where we think it is reasonable and practical to do so, we will let you know if there has been a delay in processing your **instructions**.

- 22.17 If you request a single withdrawal or if your **account** is closed, we will pay the sale proceeds as a single payment to you once we have received them from all of the **fund managers** and our **stockbroker** for all of the **funds** and **ETIs** being sold.
- 22.18 We will not carry out **instructions** if, before we start to do so:
 - a) we are notified of the death of the sole or last surviving **account holder**; or
 - b) your **account** is closed.
- 22.19 In some circumstances we may not process an **instruction** immediately. In these circumstances, we do not have to give you a reason for any delay.
- 22.20 If you **instruct** us to invest into more than one **fund** or **ETI** (including **model portfolios** and **Managed Portfolios**), the percentage you want to invest in each can be stated up to a maximum of two decimal places. If the percentage amount for any **fund** or **ETI** (including **model portfolios** and **Managed Portfolios**) is shown to more than two decimal places, we will round the percentage of each to the nearest two decimal places. If the total then does not equal 100%, we will increase or decrease the percentage amount invested in one of the **funds** or **ETIs** (including **model portfolios** and **Managed Portfolios**) shown in your **instruction** so that the total equals 100%.
- 22.21 It is the responsibility of you and your **financial adviser**:
 - a) to check that we have correctly interpreted and carried out any **instructions** given for your **account**, and
 - b) to notify us of any discrepancies within 30 calendar days of your receipt of confirmation of the **instruction**.

Charges, fees and rebates

23. Charges, fees and rebates

- 23.1 The charges, fees and **rebates** for your **account** are set out in the **Charges, fees and rebates guide**.

Ownership of your account

24. Title and ownership

- 24.1 **Funds** and **ETIs** in your **account** will be registered in the name of the **nominee** but you are the beneficial owner. Unless we agree otherwise, you may not use the **funds**, **cash** and **ETIs** in your **account** as security for a loan.
- 24.2 Purchases and sales of **units** within your **account** may be pooled with those of other investors and transactions processed for the aggregated amount. In some situations this may work to an investor's disadvantage when we buy or sell **units** in accordance with this provision.

25. Joint and trust accounts

- 25.1 Your **account** may be held jointly with another person. Where we require written **instructions** in respect of joint **accounts** they must be signed by both of the **account holders** subject to term 26.
- 25.2 Joint **accounts** will be held on a joint tenancy basis. This means that when one **account holder** dies, the surviving **account holder** will own the **account**.
- 25.3 Your **account** may be held on trust. Where you hold the **account** on trust you confirm that all **instructions** will be in accordance with the express terms of the trust deed and relevant law. Where we require written **instructions** in respect of **accounts** held on trust they must be signed by all of the trustees subject to term 26.
- 25.4 You must notify us if you make any changes to the trustees of the **account** and provide us with any evidence we reasonably request.

Please refer to term 15 for more information about payments to joint **accounts** and trusts.

26. Appointment of a lead account holder

Appointment of a lead account holder or lead trustee by an individual(s) or trustees.

- 26.1 If there is more than one **account holder** you may select one to be the **lead account holder**.
- 26.2 Each **account holder** must agree to select the same **lead account holder**. If each **account holder** cannot agree then you will not be able to appoint a **lead account holder**.
- 26.3 By selecting a **lead account holder** you agree and authorise the **lead account holder** to provide us with **instructions** to carry out transactions on behalf of all the **account holders**.
- 26.4 By selecting a **lead account holder**, where the application is made by trustees, the trustees confirm that the provisions of the trust allow delegation of authority to one trustee to act on behalf of all trustees.

26.5 Each **account holder** will have to sign an **online Customer Centre** agreement to register for our online services. All **account holders** will then be able to view the **account**. The appointed **lead account holder** will be able to carry out **instructions** individually through the **online Customer Centre**. An **account holder** will not be able to carry out **instructions** unless they are the **lead account holder**.

Some **instructions** cannot be provided by the **lead account holder** alone including, but not limited to, the following:

- a) **instructions** to withdraw money from or **transfer** the **account**.
- b) **instructions** to change details on a trust, for example the retirement or removal of a trustee.

Appointment of a **lead account holder** by a corporate entity.

26.6 If you are registering for the **online Customer Centre** on behalf of a corporate entity, including, for example, a trust company, then you will be known as the **lead account holder**.

26.7 You confirm that you have the appropriate authority to act on behalf of the corporate entity. For example, that there has been a Board resolution confirming that you have sole authority to act on behalf of the corporate entity.

Changes to the **lead account holder**.

26.8 You may request to change the **lead account holder** at any time.

26.9 You must inform us of any change. If you do not inform us of the change then we will continue to act on the **instruction** of the **lead account holder**.

26.10 All **account holders** must agree on the new appointment of a replacement **lead account holder**, as explained in term 26.2.

26.11 The **lead account holder** will stop being a **lead account holder** when:

- a) that person dies; or
- b) there is a request by an **account holder** to remove the authority from that person to be a **lead account holder**. For example, where the **lead account holder** ceases to be a trustee of the trust, for any reason.

26.12 We will not accept any further **instructions** through the **online Customer Centre** and we will only accept **instructions** by post signed by all **account holders** until a replacement has been appointed, as explained in term 26.10.

27. Voting rights, reports and corporate actions

27.1 If you want to attend meetings and exercise voting rights relating to **funds** and **ETIs** in your **account**, you must send your request to our **postal address**. We will make arrangements for you to do this provided that, in our opinion, there is enough time to make these arrangements.

27.2 In the absence of such written request from you we reserve the right to exercise the voting rights attached to **funds** and **ETIs** in your **account** if and how we think fit at our sole discretion, in the interests of our investors generally.

27.3 We have no obligation to notify you of any voting rights attached to your **account**.

27.4 If you want to receive a copy of the interim and/or annual report and accounts, scheme particulars or other information for any of the **funds** or **ETIs** in your **account**, you must send your request to our **postal address**.

27.5 We may agree a charge with you to cover the administration costs we incur in complying with any provision of this term.

27.6 In the event that an **ETI** is subject to an elective or voluntary corporate action we will exercise an option at our sole discretion. This may include allowing such elective or voluntary corporate action to lapse.

27.7 We have no obligation to notify you of any elective or voluntary corporate actions attached to **ETIs** held within your **account**.

27.8 The option we choose under term 27.6 could, for example result in your being unable to take up an option of additional **units** in an **ETI** at a discounted price. We will not be liable for any direct or indirect losses which may arise from such an event.

28. Death

28.1 If the sole or last surviving **account holder** dies, the **account** will remain invested. We will continue to deduct all our normal charges following receipt of notification of death.

28.2 All pending and scheduled **instructions** will be cancelled subject to term 28.3; we will not accept new **instructions**.

- 28.3** When we receive written notice of the death of the sole or last surviving **account holder** or a copy of the original death certificate, we will tell the legal personal representatives what our requirements are to allow the **account** to be run by them. Once our requirements are met, we will be able to take **instructions** from the legal personal representatives and this **agreement** will be binding on them.
- 28.4** If your **account** is held jointly, on the death of the first joint **account holder** we will provide the surviving **account holder** with a new reference number for the **account**.
- 28.5** Where we allocate a new **account** reference number following the death of a joint **account holder** charges and fees accrued to that point will be deducted prior to the new reference number being allocated.

General

29. Changes to funds and related trading restrictions

- 29.1** **Fund managers** may decide to replace or merge **funds**. If this happens:
- unless you **instruct** us otherwise, if the continuing fund is on our Funds List, **units** in the original **fund** will be **switched**. Any future regular investments into the original **fund** will be **redirected** to the continuing **fund**. Where your **account** is invested in a **model portfolio**, your **financial adviser** or **DIM** can provide us with an alternative **instruction**.
 - unless you **instruct** us otherwise, if the continuing fund is not on our Funds List, then **units** in the original **fund** will be **switched** and any future regular investment into the original **fund** will be **redirected** to **cash**. Where your **account** is invested in a **model portfolio**, your **financial adviser** or **DIM** can provide us with an alternative **instruction**
 - unless you have **instructed** us to pay you **income payments**, any future income from the original **fund** will be held as **cash** within your **account**. Where your **account** is invested in a **model portfolio**, your **financial adviser** or **DIM** can provide us with an alternative **instruction**.
- 29.2** We or **fund managers** may decide to suspend a **fund** or where you hold **ETIs** in your **account** our **stockbroker** may be unable to process a transaction to buy or sell. This may be because the main stock exchange or markets are closed or because dealings are restricted or suspended in your chosen **ETI(s)**. If this happens:
- your **account** will remain invested in the **fund** or **ETI** but you will not be able to buy or sell **units** in it while it is suspended
 - unless you **instruct** us otherwise, any future regular investment into that **fund** or **ETI** will be invested proportionally across the active **funds** and **ETIs** contained within your **instruction**. If there are no active **funds** and **ETIs** within the **instruction**, the investment will go to **cash**. Where your **account** is invested in a **model portfolio**, your **financial adviser** or **discretionary investment manager** can provide us with an alternative **instruction**
 - if you are receiving regular withdrawals where payments are met by selling **units** proportionally from all of your **funds** and **ETIs**:
 - for withdrawals of a specified percentage of the value of your **account**, we will calculate your payment based on your investment in all the **funds** (including the suspended **fund**, provided the **fund manager** has made an indicative price available), **cash** and **ETIs** in your **account** but we will raise the withdrawal payment required by selling **cash** and **units** in the active **funds** and **ETIs** only
 - for withdrawals of a specified amount of money, we will raise the withdrawal payment required by selling **cash** and **units** in the active funds and **ETIs** only (including **model portfolios** and **Managed Portfolios**)
 - if you are receiving regular withdrawals where payments are met by selling one or more specified **funds** and **ETIs** and one or more are suspended, we will raise the regular withdrawal required in line with section 1 of the **Charges, fees and rebates guide**.
 - If your **account** is solely invested in the suspended **fund** or **ETI** regular withdrawals will be cancelled. If you wish to recommence regular withdrawals after the suspension has been removed, you will need to **instruct** us to do so. This term also applies where the value of your active **funds** and **ETIs** are insufficient to raise the payment required.
 - unless you have **instructed** us to pay you **income payments**, while the **fund** or **ETI** is suspended any future income from the **fund** or **ETI** will be held as **cash** within your **account**. Where your **account** is invested in a **model portfolio**, your **financial adviser** or **DIM** can provide us with an alternative **instruction**
 - if you have **instructed** a single withdrawal to be met proportionally from all of your **funds** and **ETIs** or **instruct** the closure of your **account**, we will raise the withdrawal payment required by selling **units** in the active **funds** and **ETIs** only. Once the suspension is removed we will require a new **instruction** if you still want us to close your **account**.

- h) if you have **instructed** a single withdrawal to be met by selling one or more specified **funds** and **ETIs**, we will raise the withdrawal payment required in line with section 1 of the **Charges, fees and rebates guide**.
 - i) if you have **instructed** a single withdrawal and your **account** is solely invested in the suspended **fund** or **ETI**, we will be unable to process your **instruction**. Once the suspension is removed we will require a new **instruction** if you still require the single withdrawal. This term also applies where the value of your active **funds** and **ETIs** are insufficient to raise the payment required.
 - j) if your **instruction** includes a **fund** which is suspended but we are aware the suspension is to be removed in the near future (within 5 **working days**), we may defer carrying out your **instruction** until the suspension is removed
 - k) **phased investment** instalments into the suspended **fund** or **ETI** will be invested proportionally across the active **funds** and **ETIs** contained within your **phasing instruction**. If there are no active **funds** and **ETIs** within the **phasing instruction**, the instalment(s) will remain in **cash** until we are provided with alternative **instructions**.
 - l) if we are closing your **account** as described in term 18, we will only be able to sell the active **funds** and **ETIs**. We will sell the suspended **funds** and **ETIs** once the suspension is lifted.
 - m) we will use the last known price to value your investment in a suspended **fund** or **ETI** against which any charges will be calculated.
- 29.3 Fund managers** may decide to close a **fund** or we may decide to remove a **fund** or **ETI** from our Funds List or ETI List (for example due to the small **fund** size or for operational reasons). If this happens:
- a) unless you give an alternative **switch instruction**, any **units** in the **fund** or **ETI** will be **switched** to **cash** within your **account**
 - b) unless you give an alternative **redirection instruction**, any existing regular investment into that **fund** or **ETI** will be **redirected** to **cash**. Where your **account** is invested in a **model portfolio**, your **financial adviser** or **discretionary investment manager** will provide us with an alternative **instruction**
 - c) unless you have **instructed** us to pay you **income payments**, any remaining income from the **fund** or **ETI** will be held as **cash** within your **account**. Where your **account** is invested in a **model portfolio**, your **financial adviser** or **DIM** can provide us with an alternative **instruction**
 - d) and the **fund** is removed and we have the same **fund** with a different share class available on our Funds List, **units** in the original **fund** may be **switched** into the **fund** with a different share class. Any future regular investments into the original **fund** will be **redirected** to the **fund** with a different share class on our Funds List.
- 29.4** We or **fund managers** may decide to close a **fund** to new business only. If this happens:
- a) unless you **instruct** us otherwise, you will remain invested in the **fund**, and **units** in the **fund** can be sold
 - b) unless you **instruct** us otherwise, any regular investment into that **fund** will continue to be paid into it but you will not be able to increase the amount of the regular investment that is invested into the **fund**
 - c) you cannot make a top-up lump-sum investment in that **fund**
 - d) unless you have **instructed** us to pay you **income payments**, or to hold income as **cash**, any future income from the **fund** will continue to be **reinvested** in the **fund**.
- 29.5** We or **fund managers** may decide to close a **fund** to all purchases. If this happens:
- a) unless you **instruct** us otherwise, you will remain invested in the **fund**, and **units** in the **fund** can be sold
 - b) unless you give an alternative **redirection instruction**, any existing regular investment into that **fund** will be **redirected** to **cash**. Where your **account** is invested in a **model portfolio**, your **financial adviser** or **DIM** can provide us with an alternative **instruction**
 - c) unless you have **instructed** us to pay you **income payments**, any future income from the **fund** will be held as **cash** within your **account**. Where your **account** is invested in a **model portfolio**, your **financial adviser** or **DIM** can provide us with an alternative **instruction**.
- 29.6** If there are any other changes to a **fund** or **ETI** which affect the **units** you hold and any purchases or sales in the **fund** or **ETI**, we will advise you of any impact to your **account** when we notify you of the change.
- 29.7** We will advise you of any additional effect on **phased investments** at the time we notify you of the **fund** and **ETI** changes. Where possible, we will notify you of the changes prior to them happening however, there might be occasions where we can't, for example where we are not given notice of the change.

29.8 Where the affected **fund** or **ETI** is part of a **DIM model portfolio** we will notify the **DIM** of the changes rather than you.

30. Changes to this agreement

30.1 We can change the terms of this **agreement** at any time if the changes are to:

- a) help us administer your **account** more effectively
- b) take into account changes to our operating costs
- c) withdraw or vary any facility or option under your **account**
- d) introduce new facilities or options to your **account**
- e) vary the minimum investment, minimum **account** value and minimum withdrawal amounts
- f) make changes to the **funds** on the Funds List, the **ETIs** on our ETI List or make new types of assets available
- g) vary the charges that apply to your **account**
- h) correct any errors or make the terms easier to understand
- i) take into account any change in law or the practice of any regulatory authorities that affects your **account**.

30.2 If any change operates to your disadvantage, we will give you at least 30 days' notice of that change, unless the change is as a result of something outside our control and it is not possible to do so. If we are not able to give you 30 days' notice, we will give you as much notice as possible.

30.3 We will only notify you of significant changes to **funds** or **ETIs** in which you hold **units** and which could operate to your disadvantage.

30.4 If we make any change to your **account**, you may **instruct** us to **transfer** or close it at no additional cost to you (although we will deduct all outstanding charges).

31. Statements and tax vouchers

31.1 We will provide you with a quarterly **statement** showing the position of your **account** at the end of each quarter. The quarterly dates are based on your **account charge date**. For example if your **account charge date** is 5 January, **statements** will be issued shortly after 5 January, 5 April, 5 July and 5 October each year.

31.2 You can ask us to send you a **statement** outside of the dates determined by term 31.1 by sending us your request in accordance with term 20.

31.3 We will also provide you with a consolidated tax voucher in May each year for the previous **tax year**.

31.4 We will also provide you with a Costs and Charges Statement for your **account** at least annually.

31.5 You can also access your **account** value more often online. For more details, see term 34 **online Customer Centre**.

The consolidated tax voucher shows details of any tax deducted on income (dividends, **rebates** and/or interest) received within the **account** during the preceding **tax year**.

32. Valuing your account, your funds and ETIs

32.1 When we value your **account** or any **funds** and **ETIs** we will use the latest available **bid value** of the **units**.

32.2 The value of your **account** at any date does not include **rebates** or income earned but not yet credited to your **account**.

33. Protecting your investments

33.1 We safeguard our customers' money to protect it in case we ever go into liquidation.

33.2 Unless we say otherwise in the **agreement**, we hold the following money in a **client money account**:

- a) **cash** held within your **account**
- b) all money waiting to be invested as specified in your **instruction**
- c) all income waiting to be paid to you
- d) the proceeds of sales waiting to be paid to you.

33.3 In certain circumstances cash may be held outside of your **account**. This may occur with payments returned due to a change in bank details or cheques that have not been paid into your bank account. Cash held in this way will not attract any interest and will be held as client money pending payment subject to receipt of your **instructions**.

- 33.4** We aim to pay any cheques we receive into a **client money account** on the day of receipt, but no later than the next **working day**.
- 33.5** We will identify, record and hold all of your assets separately from any of our own assets in such a way that we are able to identify your assets at any time. **Funds** and **ETIs** in your **account** and the **funds** and **ETIs** in our other customers' accounts will all be registered in the name of the **nominee**. **Nominee** is a separate entity, so your **funds** and **ETIs** would be protected in the event that Quilter Investment Platform Limited went into liquidation. However, in the event of insolvency, there may be a delay in recovering your assets.
- 33.6** Cash held in a **client money account** may be offset against client money held by you in other accounts with us, in the event of insolvency, before being distributed, as part of the client money pool.

34. Online Customer Centre

- 34.1** If you would like to manage your **account** online using our **online Customer Centre**, you must agree to our **online Customer Centre terms and conditions** which you can find on our website.
- 34.2** Some **instructions** cannot be submitted using our **online Customer Centre** and must be sent to us either by your **financial adviser** or you in writing.
- 34.3** Where **instructions** are sent using our **online Customer Centre**, they will be treated as acknowledged by us if you receive confirmation of the transaction from our system before the published cut-off time(s).
- 34.4** If we are notified by you or your **financial adviser** of your intention to register for our **online Customer Centre** as described above, we will stop sending you paper correspondence except where we are obliged to by regulation. Correspondence will be stored online in your document library, which you can access by logging in to the **online Customer Centre**. Each time we issue new correspondence, you will be notified using the email address provided to us.
- 34.5** If, after 60 days of our being notified of your intention to register for our **online Customer Centre**, there is no active **online Customer Centre** account we will revert to corresponding with you via paper. Any correspondence within the 60 days will not be re-issued via paper, but will continue to be stored online in your document library should you require copies.

Your **financial adviser** will be able to give you more information about when an **instruction** must be submitted in writing.

35. Your financial adviser

This term shall apply to any **financial adviser** who you notify us has authority to act on your behalf.

- 35.1** If a **financial adviser** has applied for the **account** on your behalf, we will treat that **financial adviser** as your agent with the authority to act on your behalf in relation to your **account** and this **agreement** unless you notify us in writing that the authority has ended.
- 35.2** If we agree to accept **instructions** from your **financial adviser** acting as your agent, we will treat the **instructions** as if they are direct from you.
- 35.3** You agree that your **financial adviser** may send us proof of identity and other information about you that we may reasonably require to complete our checks.
- 35.4** We will not be liable for any losses or costs incurred by you because of anything your **financial adviser** does or does not do on your behalf in relation to this **agreement**. The **financial adviser** has been appointed by you to deal with your affairs and interests according to whatever terms you have agreed with them.
- 35.5** The **financial adviser** is not acting on our behalf and does not represent us in any way, and we have no knowledge of what basis your **financial adviser** acts on your behalf.
- 35.6** We are not responsible for any failure or breach in the relationship between you and your **financial adviser**.
- 35.7** If you change your **financial adviser**, you must notify us in writing.
- 35.8** If you change your **financial adviser** and you are invested in a **model portfolio** your account will no longer be invested in the **model portfolio** but will remain invested within the underlying **assets** which formed the **model portfolio** until we receive alternative **instructions**.

36. Your discretionary investment manager (DIM)

This term shall apply to any **DIM** who you notify us has authority to manage your **funds** and **ETIs** on your behalf.

- 36.1** Provided you have a **financial adviser** appointed in respect of your **account**, you can choose via your **financial adviser** to appoint a **DIM** to provide a discretionary fund management service for your **account**.
- 36.2** Your **financial adviser** can request the appointment of one or more **DIMs** on your **account**. Terms of business will need to be agreed between you, your **financial adviser** and/or the **DIM**. We are not responsible for the acts or omissions of the **DIM**.

- 36.3** We may require the **DIM** to confirm they are regulated by any appropriate regulatory authority and have any qualifications required by law or regulation for the activity to be carried out. If we require such confirmation, it is to enable us to comply with our regulatory duties. It is not and should not be construed as any endorsement of a **DIM** by us, and we do not warrant your **DIM's** suitability or regulatory credentials.
- 36.4** We will act on the **instructions** of the **DIM** once appointed. We will cease to act on **instructions** from the **DIM** and we will stop any **discretionary management portfolio fees** we are making to the **DIM** on your behalf in the following circumstances:
- a) Your account is switched out of the **model portfolio**
 - b) We receive **instructions** from you or your **financial adviser** that you, or your **financial adviser** has ended the terms of business in place between you and/or your financial adviser and the **DIM**
 - c) You notify us that you have changed your **financial adviser** firm or removed them from your **account**
 - d) We terminate our terms of business with your **financial adviser** firm
 - e) You close your **account**
 - f) On the death of all **account holders**
 - g) We terminate our terms of business with the **DIM** or otherwise cease to act on their **instructions**. This could be because we become aware that a **DIM**:
 - i) has been refused membership by, or has been expelled from, a professional organisation; or
 - ii) is under investigation by, or has been the subject of disciplinary action by, a regulatory authority; or
 - iii) has carried out or is carrying out activities in a manner which could prejudice or be harmful to our reputation; or
 - iv) ceases to hold the necessary regulatory authorisation to perform their role

These examples are illustrative and not exhaustive. This will not affect any transactions already carried out or for which binding **instructions** have been given directly or indirectly.

Your **account** will no longer be invested in the **model portfolio** but will remain invested within the underlying **assets** which formed the **model portfolio** until we receive alternative **instructions**.

When the appointment of the **DIM** ends, we will make a final proportional **discretionary management portfolio fee** payment to the **DIM** on the next payment date. This will cover the period from the last payment date up to the date the **model portfolio** is removed from your **account**.

37. Our liability

- 37.1** We will exercise due care and diligence in the management of your **account**. However, unless they arise as a result of our negligence, wilful default, fraud, or breach of this **agreement** or **FCA** rules, we will not be liable to you for:
- a) any costs, claims, demands, losses or expenses arising from any fall in the value of your **account**
 - b) our acts or omissions or those of any third party outside the **Quilter plc group of companies** (for example, a **fund manager**).
- 37.2** This limitation of liability does not apply to the extent that it conflicts with **FCA** rules.
- 37.3** We accept full responsibility for the **nominee's** acts or omissions.
- 37.4** We will not be liable or have any responsibility for any loss or damage, fall in investment value or loss of investment opportunity you incur or suffer because of an event that we could not reasonably predict or if predicted its consequences can't be planned for within these terms. Examples of such events are:
- a) any act (or credible threat) of terrorism,
 - b) acts of government, local authority or regulatory body,
 - c) explosion or fire, earthquake, extraordinary storm, flood, abnormal weather conditions or other natural catastrophe, any nuclear, chemical or biological contamination or any strikes, lockouts or other industrial disputes (other than to the extent involving our workforce or other personnel)
 - d) riot, civil unrest, commotion or rebellion, war or civil war (whether or not declared) or armed conflict, invasion and acts of foreign enemies, blockades, embargoes
 - e) an unavoidable accident
 - f) the loss of supply of essential services including but not limited to electrical power, telecommunications, air conditioning and essential third party services
 - g) any 'denial of service' or other targeted network attack

- h) any epidemic or pandemic and
- i) any other cause beyond our reasonable control as a consequence of which we can no longer administer your **account** for a given period

This term only applies if we have complied with the relevant **FCA** rules which require us to have systems and controls in place to guard against such breakdowns in our service.

- 37.5** Where, during the management of your **account**, we are found to be responsible for a loss (or gain) on your **account** we will look to put your **account** into the correct position unless the amount is considered negligible (£5 gross of tax and under).

38. Amounts you owe us

- 38.1** We can deduct from the value of your **account** any amount you owe us or any other **Quilter plc group company**. We can deduct from the value of any other account or bond (other than any registered pension scheme) held in your name with us or any other **Quilter plc group company**, any amount you owe us under this **agreement**. We will write to notify you before we do this.

39. Notices

- 39.1** You must provide us with information we reasonably require to carry out our obligations under this **agreement**. This includes telling us if you change your name, address or residency status for tax purposes.
- 39.2** If under this **agreement** we have to send you a notice by post, we will meet this requirement if we send it to the address that you last provided to us. We can assume that you received a notice sent by us by post when it would normally be expected to have been received in the ordinary course of post.
- 39.3** Where you have a joint **account** and both you and the joint **account holder** live at the same address, we will send notices to this address. Where you live at different addresses we will produce two copies of every notice and send to both.
- 39.4** If we are unable to contact you, we will make reasonable efforts to obtain your latest address, including the use of tracing agencies. If any **assets** remain in your **account** and we have received no **instructions** from you for 12 years or a period of six years for any **cash** remaining in your **account**, we reserve the right to pay the money/assets owed to our chosen charity. You will still be entitled to recover this value from us at a later date irrespective of whether we have paid the money to charity.

40. Miscellaneous

- 40.1** Nothing in this **agreement** will oblige us to do anything if, in our reasonable opinion, it would be unlawful or may constitute market timing or market abuse. We may pass on any charge or penalty imposed on us or the **nominee** as a result of any such activity.

Market timing is a form of speculative investment that usually involves a high volume of fund transactions and short holding periods. This can force **fund managers** to carry out transactions that do not reflect the normal investment strategy of the **fund**. It can also penalise other investors, due to the extra dealing costs incurred or a decline in long-term performance. Any charge we impose will normally be equivalent to the charge imposed on us by a **fund manager**.

- 40.2** We do not give any advice regarding **funds** and **ETIs**, your **account** or any **instruction**. The availability of a particular **fund** or **ETI** does not imply that it is suitable for you.
- 40.3** The services we provide do not include a review of your **funds** and **ETIs**.
- 40.4** We monitor all assets held by us in the course of providing custody services. Where we choose to hold an amount of our money to cover a shortfall, we will hold that money for you in accordance with the **FCA's** Client Money Rules, until the shortfall is resolved (unless agreed otherwise). Where any relevant shortfall reduces or is otherwise resolved, the amount of our money that we are holding to cover it (or any portion of it in excess of the relevant shortfall) shall become immediately due and payable to us. In the event of this **agreement** being terminated, we will treat payment to you of such money to cover a shortfall as fully discharging our obligation to return to you the assets which were the subject of that shortfall.
- 40.5** For regulatory purposes, we will treat you as a retail client. Retail clients receive the greatest level of regulatory protection.
- 40.6** It may be necessary to suspend dealing in **funds** and **ETIs** within your **account** in the event of exceptional circumstances that are outside our control.
- 40.7** In making decisions and exercising any discretion given to us under this **agreement**, we will act reasonably and with proper regard to the need to treat you and our other customers fairly.
- 40.8** References in this **agreement** to tax reflect our understanding of the law at the date of this **agreement**. However, tax rules will depend on your personal circumstances and may change in the future.

You should speak to your **financial adviser** for advice on tax.

- 40.9 This **agreement** is between you and us. No other person shall have any rights to enforce any of its terms.
- 40.10 We may delegate any of our functions or responsibilities to a third party. If we do, we will satisfy ourselves that the third party is competent to carry out those functions and responsibilities. We will remain responsible for the acts and omissions of that third party as if they were our own acts or omissions.
- 40.11 This **agreement** is subject to and is to be interpreted in accordance with the laws of England and Wales. You and we submit to the jurisdiction of the courts of England and Wales.
- 40.12 This **agreement** and any subsequent communications will be in English.
- 40.13 We may occasionally receive or pay sums, or make available non-financial benefits, to other regulated firms (either directly or indirectly). Such payments and benefits will be intended to improve the quality of service provided to customers and will be no more than a reasonable de minimis value or limited to the reimbursement of costs and market rate as appropriate. Due regard will be given to ensure that they do not conflict with any duty the recipients have to act in the best interests of clients. For example a reasonable per head / per event value for business meals is generally no greater than a benefit of £50 and subject to approval controls. Further information is available upon request.

41. Complaints

- 41.1 If you have a complaint about any aspect of your **account**, we have a complaints procedure, which is available on request. Making a complaint will not prejudice your right to take legal proceedings.
- 41.2 You can make a complaint by contacting us at our **postal address** or by telephoning 0808 171 2626.
- 41.3 If you are not satisfied with the way the complaint is dealt with, you can refer it to:

Financial Ombudsman Service
Exchange Tower
London
E14 9SR
Telephone: 0800 023 4567

www.financial-ombudsman.org.uk

42. Compensation

- 42.1 Quilter and the **nominee** are covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation if we cannot meet our liabilities to you in relation to your investment. This depends on the type of business and the circumstances of the claim, and is subject to a maximum limit of £85,000 for all claims.
- 42.2 We may hold your money and/or assets in an omnibus account which means that they may be held in the same account as those of other customers. This means that you may be required to share proportionally in any shortfall. If the bank holding your **cash** or other 'client money' becomes insolvent, you may be covered for up to £85,000 of the value of your **cash** or other 'client money'. This limit will normally include **cash** held in your **account** as well as any other money that you hold with the same bank. Details about the banks we use are available on request.
- 42.3 Should any third party holding your money or assets become insolvent, we will attempt to recoup such money or assets on your behalf; however, if that third party cannot repay, any shortfall may have to be shared proportionally between all its creditors (including you). In such circumstances, you may be eligible to claim under the FSCS.
- 42.4 If the **fund manager** of a **fund** you are invested in cannot meet its liabilities, we may make a claim on your behalf to the FSCS to recover the first £85,000 of your investment. The FSCS may not be able to recover losses if the **fund** you are invested in is not based in the **UK**. **ETIs** are not protected by the FSCS therefore there is no compensation in the event of insolvency of the underlying **ETI**.
- 42.5 **Fund managers** and our **stockbroker** may protect money invested in line with the **FCA's** Client Assets (CASS) rules, meaning that investor money will be kept separate from other money owned by them. However, this is not always the case and they may hold investors' money alongside their own (this is referred to as utilising the **Delivery Versus Payment exemption**).
- 42.6 We or your **financial adviser** can provide further information about compensation arrangements on request. You can also find out more from:

Financial Services Compensation Scheme
10th Floor
Beaufort House
15 St Botolph Street
London
EC3A 7QU
Telephone: 0800 678 1100 or 020 7741 4100

www.fscs.org.uk

43. Conditions and restrictions to your agreement if the Managed Portfolio Service is used

- 43.1 Your **financial adviser** may offer you a discretionary fund management service for your **account** that we will provide to your **financial adviser** using **Managed Portfolios**. This is referred to as the **Managed Portfolio Service**. Your **financial adviser** will be responsible for carrying out suitability checks and appropriate risk profiling to determine the appropriate **Managed Portfolio** for you in accordance with the **FCA** rules both initially and on an ongoing basis.
- 43.2 If you agree with your **financial adviser** to use this service, your **financial adviser** will request investment into the **Managed Portfolio Service** for your **account** and they will confirm to us the **Managed Portfolio** which meets your needs. As a result, we will invest, or **switch** into the **funds** applying to the **Managed Portfolio** selected by your **financial adviser**.
- 43.3 Once your **account** is invested in the **Managed Portfolio Service**, we, as the portfolio manager, will then manage the **funds** on behalf (including circumstances covered in term 29) of your **financial adviser** based on the investment mandate for the selected **Managed Portfolio** as described in the relevant **Managed Portfolio** factsheet.
- 43.4 Our management of the **Managed Portfolio** will involve quarterly adjustments to the **funds** by **switching** to realign or change **funds** to match the latest published asset allocation for the **Managed Portfolio** in accordance with the investment mandate. These **fund switches** will not take into account your tax position and we are not liable for any capital gains tax liability that arises as a result of these **fund switches**. Your **financial adviser** should be able to provide you with tax advice.
- 43.5 Payment of regular withdrawals, single withdrawals and deductions for the Service Charge and/or adviser ongoing servicing fees met by selling **units** in a **Managed Portfolio** will be deducted proportionally from all **funds** within the **Managed Portfolio**.
- 43.6 There may be tax implications in changing the way we make regular payments to you or your **financial adviser** as described in term 43.5. You should therefore seek advice from your **financial adviser** and if necessary, you may cancel the regular withdrawals or adviser servicing fees **instructions**.
- 43.7 A **Managed Portfolio Service Charge** will apply as described in section 2.5 of the **Charges, fees and rebates guide**.
- 43.8 If any of the following events occur, the **Managed Portfolio Service** will be terminated and the restrictions and conditions detailed in this term will no longer apply:
- if your **financial adviser** changes.
 - if your **financial adviser** (in agreement with you) requests that we terminate the **Managed Portfolio Service** provided for them.
 - if you tell us that you have asked your **financial adviser** to terminate the **Managed Portfolio Service**.
 - if we decide we can no longer offer the **Managed Portfolio Service** to your **financial adviser** and provide them with 30 days' notice of our intention.
 - If we decide to close the selected **Managed Portfolio** for your **account** and we do not receive **instructions** to invest in an alternative **Managed Portfolio** prior to closure date.
 - if you or your **financial adviser** submit a **fund switch instruction** for any or all the **funds** currently in the **Managed Portfolio** for your **account**.
 - if you add an irrevocable designation to your **account**.
 - if you are no longer the **account holder**, for example if you transfer the ownership of your **account** to another party. We always close the **account** unless the transfer is partial.
 - if we receive notification of your death (or that of the last surviving **account holder** where there is more than one).
 - If your **account** closes.
 - If we terminate our terms of business with your **financial adviser** or otherwise cease to act on their instructions.
- This could be because we become aware that your **financial adviser**:
- has been refused membership by, or has been expelled from, a professional organisation; or
 - is under investigation by, or has been the subject of disciplinary action by, a regulatory authority; or
 - has carried out or is carrying out activities in a manner which could prejudice or be harmful to our reputation; or
 - ceases to hold the necessary regulatory authorisation to perform their role.

These examples are illustrative and not exhaustive. This will not affect any transactions already carried out or for which binding **instructions** have been given directly or indirectly.

The **Managed Portfolio Service** will no longer apply to your **account**, but your **account** will remain invested within the underlying **assets** comprised within the **Managed Portfolio** at the time service was terminated, until we receive alternative **instructions**.

When the **Managed Portfolio Service** terminates, we will make a final proportional **Managed Portfolio Service Charge**. This will cover the period from the last payment date up to the date the **Managed Portfolio Service** is terminated.

Conflicts of interest

- 43.9** We will provide the **Managed Portfolio Service** in such a way as to manage conflicts of interest in accordance with our Conflicts of Interest Statement of Practice, from time to time, which sets out the types of actual or potential conflicts of interest which affect our business, and provides details of how these are managed.
- 43.10** In accordance with our Conflicts of Interest Statement of Practice we may effect transactions in which we have, directly or indirectly, a material interest or a relationship with another party which involves or may involve a potential conflict with our duty to you. By way of example, the asset allocation for the **Managed Portfolios** may contain **units in in-house funds** in which we are interested as a result of being the operator or otherwise. In order to manage the potential conflict in such cases, we do not exercise our voting rights on **in-house funds**.
- 43.11** If you would like a copy of the Conflicts of Interest Statement of Practice, please contact us in writing, by telephone or email. Contact details are on page 4 of these terms.

Outsourcing

- 43.12** We may delegate the provision of the service that we provide to your **financial adviser** to Quilter Investors Limited or other third parties (including other companies in Quilter plc group of companies). We may also provide information about you and your **account** in relation to the **Managed Portfolio Service** to any person to whom such activities have been outsourced, but our liability for all matters so delegated will remain with us.

44. Order execution policy

- 44.1** Under the **FCA** rules, we have an obligation to take all reasonable steps when processing **instructions**, to obtain the best possible result for our **account** holders taking into account all relevant considerations. The **FCA** calls these the execution factors. We must have an 'Order Execution Policy' in place to meet this regulatory obligation. This term 44 satisfies that requirement.
- 44.2** Execution Venue
- a) We will execute **instructions** by sending dealing **instructions** to the operator of each relevant **fund**, or its agent.
 - b) We place orders to buy and sell **ETIs** with a third party for execution. This third party, our **stockbroker**, has its own order execution policy. We expect our **stockbroker** to obtain execution results that are at least as good as those that could be obtained through an alternative **stockbroker**.
 - c) We only execute **instructions** for **funds** which are priced no more frequently than once each **working day**. In our sector of the regulated financial services industry, the **funds** that we trade in are not quoted on any investment exchanges.
 - d) We only execute **instructions** for **ETIs** which we have made available on our platform and are included within our published ETI List.
 - e) We do not believe there is any alternative venue available that is likely to provide a better outcome for you in terms of price, cost or any other relevant matters. However, if a cost-effective alternative to dealing with the operator of a **fund** or our **stockbroker** were to arise, we reserve the right to consider using that alternative execution venue if it would result in a better outcome for you.
- 44.3** We only trade once each **working day** in **funds** that are priced by the **fund managers** once each **working day**. The timescales for processing **instructions** are specified in term 22.
- 44.4** We have two cut-off points during each **working day** for trading in **ETIs**. After each cut-off we aggregate the dealing **instructions** we have received and **instruct** our **stockbroker** to place the deals. The timescales for processing **instructions** are specified in term 22.
- 44.5** When providing the **Managed Portfolio Service** we will comply with the obligation to act in accordance with your best interests. This will apply when sending dealing **instructions** to **fund** operators for execution that result from decisions by us to deal in financial instruments on your behalf.

Glossary

Account – The Collective Investment Account

Account charge date – The **working day** on which we deduct the Service Charge, and any adviser ongoing servicing fee from your **account**. The **account charge date** is based on the date that your first **account** or **bond** was opened on our platform. If the **account charge date** is not a **working day**, any sale of **assets** relating to the charge or fee will be placed on the next **working day**.

Account eligibility and requirements guide – The document setting out the eligibility and other requirements for the **account**.

Account holder or account holders – You, the legal owner of the **account**. This means the individual(s), corporate entity, pension scheme or trust, named on the application and your survivors or the legal personal representatives of the last of you to die.

Accumulation unit – A unit in a **fund** which accumulates income earned back into the **fund** increasing the value of the **units**.

Acknowledgement – Written confirmation from us of your **account** start date, your investment details and your cancellation rights.

Adviser Charging – The service we provide for **adviser fees** to be paid from your investment to your **financial adviser**, as authorised by you.

Adviser extranet – A secure internet site which also includes a secure email facility, on which your **financial adviser** can manage your **account**.

Adviser fee – An initial fee, adviser initial regular fee, ongoing servicing fee or ad hoc fee payable to your **financial adviser**, as described in the **Charges, fees and rebates guide**.

Agreement – The terms contained in this document together with the online service agreement for Quilter's **online Customer Centre** (where you have agreed to those terms).

Asset – A generic term we may use for **funds**, **cash** and **ETIs** held within your **account** including those held within a **model portfolio** or **Managed Portfolio**

Bid price – The selling price of **units** in funds.

Bid value – The value of the **units** in a **fund** based on their **bid price**.

Cash – Money held within your **account**, either as an asset choice or awaiting investment into **units**. **Cash** is held in a separate, ring-fenced bank account held with a third party in our name, from which we pay interest to you.

Cash transfer – Moving **cash** from one provider to another or moving **funds** from one provider to another by selling them and **transferring** the proceeds as cash.

CHAPS – Clearing House Automated Payment System. This is an alternative method for making electronic one-off payments to banks, whereby the money reaches the bank account on the same day that it leaves us. There is a charge for this service, which we deduct from the payment value.

Charges, fees and rebates guide – The document setting out the charges, fees and **rebates** which apply to your **account**.

Cleared cash – **Cash** balances held within your **account** on which we will calculate interest. For cheque payments we will consider these as cleared on the third **working day** after we have banked them.

Client money account – A separate, ring-fenced bank account held with a third party holding money belonging to our customers and on which we may receive interest, administered in line with the **FCA's** Client Money Rules.

Dealing day – Any **working day** on which the relevant **fund manager** or our **stockbroker** accepts trades to buy and sell **units**.

Delivery Versus Payment (DvP) exemption – This is where money may be held by a **fund manager** or **stockbroker** temporarily outside of client money for the settlement of transactions.

Discretionary investment manager (DIM) – A person or firm that acts on your behalf following your request to use their service in respect of your **account**. The **discretionary investment manager** will act on a discretionary basis using a discretionary mandate prescribed by you and investment objectives and risk profile you have stated in respect of your **account**. They must be appropriately qualified, authorised and regulated to offer discretionary fund management services. Your **financial adviser** may also be your **discretionary investment manager** where they hold suitable permissions.

Discretionary management portfolio fee (DIM fee) – A fee expressed as a percentage which is charged by the **discretionary investment manager** providing investment decisions on your **account**.

Exchange Traded Instrument (ETI) – Any asset that you may invest in as part of your **account** which is bought and sold using our **stockbroker** including but not limited to stocks and shares, exchange traded funds, exchange traded commodities and investment trusts listed on a recognised stock exchange and on our ETI List.

FCA – The UK Financial Conduct Authority (which includes any successor regulatory authority).

Financial adviser – A firm or individual authorised to provide advice and arrange or carry out investment transactions on behalf of customers and who has agreed to our terms of business. These terms and conditions assume that you invest using the services of a **financial adviser** and they have been written accordingly.

Fund – Any fund that you may invest in as part of your **account** and that is listed on our Funds List including those within a **model portfolio** and the **Managed Portfolio Service**.

Fund manager – The investment company responsible for the management of a fund.

HMRC – Her Majesty's Revenue & Customs.

Income payment – Payment to you of income distributed by **income units** or **ETIs** in your **account** as well as any interest earned on **cash** held within your **account**.

Income unit – A **unit** in a **fund** which pays any income earned to its investors.

In-house funds – **Funds** that we, or other companies within our group, manage.

Instruct, instruction, instructed – An instruction to us in accordance with term 20, to carry out a transaction relating to your **account** including: making a lump-sum investment, making a regular investment, **transferring** into or out of your **account**, **phased investment**, **switching**, **redirecting** regular investments, **income payment**, **reinvesting** income, paying a regular withdrawal, paying a single withdrawal and closing your **account**.

Key Features Document (KFD) – A document summarising the key features of your **account**.

Key Information Document (KID) – A document which provides you with key information about your chosen **asset** including the **asset's** objectives, risks, costs and historical performance. This definition also includes Key Investor Information Documents (KIIDs).

Lead account holder – An individual who is authorised to provide certain **instructions** on behalf of all **account holders**, or if the **account holder** is a corporate entity on behalf of that corporate entity, or if the **account holders** are trustees on behalf of all the trustees.

Managed Portfolio – **Funds** which are grouped to reflect a specific attitude to risk, volatility range and other variables as set out in the relevant **Managed Portfolio** factsheet.

Managed Portfolio Service – A discretionary fund management service for your **account** using **Managed Portfolios** that is offered to you by your **financial adviser** using Quilter Investment Platform Limited to provide this service.

Managed Portfolio Service Charge – A charge expressed as a percentage which is charged by us for providing the **Managed Portfolio Service** to your **financial adviser** on your **account**.

Model portfolio – **Funds** which are grouped to reflect a specific attitude to risk, volatility range and other variables as set by your **financial adviser** or **discretionary investment manager**.

Nominee – Quilter Investment Platform Nominees Limited for **funds** and our stockbroker's nominee for **ETIs** or such other nominee as we may appoint.

Online Customer Centre – A secure internet site on which you can manage elements of your **account**.

Online Customer Centre terms and conditions – The terms and conditions governing your use of our **online Customer Centre**.

Phase, phasing, phased investment – Automatic monthly instalments to **switch** from **cash** into **funds** and **ETIs** in your **account**.

Platform – Quilter's UK technology platform, which hosts collective investments, ISAs and JISAs as well as bonds and pension products.

Postal address – Quilter, Quilter House, Portland Terrace, Southampton SO14 7AY.

PTM Levy – A charge imposed on investors when they sell or buy shares with an aggregate value in excess of £10,000. The charge is deducted by our **stockbroker** when processing your **instruction**.

Quilter plc group of companies – Quilter plc and all its subsidiary companies from time to time. This includes, for example, Quilter, Quilter Investors, Quilter Financial Planning and Quilter Cheviot.

Rebate – **Fund managers** pay us an income, known as a **rebate**, which varies from **fund to fund**, and can change over time. It represents a discount on the usual **fund manager** charges, which we have negotiated with each **fund manager**. **Rebates** are paid out of money that would otherwise be kept by the **fund manager** and the whole amount that we receive is paid into your **account**.

Redirect, redirecting, redirection – Changing the **units** bought with future regular investments.

Reinvest, reinvestment, reinvested – Using **rebates** and income from **funds** in your **account** to buy more **units**.

Re-register, re-registration, re-registered – Transferring **funds** or **ETIs** by changing from one provider to another, without actually selling the **funds** or **ETIs**. This process can also be known as an ‘in specie’ **transfer**.

Statement – A statement showing the activity on your **account** including: the price of the **units** held in **funds** and **ETIs** in your **account**, any amount held in **cash**, and any transactions processed in relation to your **account** since the last **statement**. It does not include any measurement of the performance of a **fund** or **ETI** held in your **account**.

Stockbroker – The stockbroker(s) chosen by us that you can use to buy and sell **ETIs** we make available for you to invest in as part of your **account**.

Switch, switched, switching – Selling from one or more **assets** and using the proceeds to buy one or more other **assets** within your **account**.

Tax year – The 12-month period from 6 April to 5 April the following year.

Transfer, transferred, transferring – Moving **funds** and **ETIs** from one provider to another either by **re-registration** or **cash transfer**.

Treasured funds – **Funds** which you have chosen to exclude from the sale of **units** to meet charges and fees.

UK – The United Kingdom of Great Britain and Northern Ireland, but not including the Channel Islands or the Isle of Man.

Units – The **funds** available for you to invest in are split into **units**. The value of each **unit** and the number of **units** held represent your share of the **fund's** total value. This definition also includes shares in Open-Ended Investment Companies (OEICs) and **ETIs**.

Working day – A day on which we are open for business.

Charges, fees and rebates guide

1. General

1.1 Payment of financial adviser fees, discretionary management fees and the service charge

- a) If we agree to pay fees to your adviser or a **discretionary management portfolio fee** to your **DIM** on your behalf, we will meet these payments by using **cash** held within your **account**. If there is insufficient **cash**, we will meet the shortfall by selling **units** from all of your **funds** (including **model portfolios** and **Managed Portfolios**) proportionally, based on the value of your **account** at the time of sale.
- b) If a **fund** has been suspended and we have agreed to deduct an **adviser fee** or **discretionary management portfolio fee** from your **account** we will calculate the fee based on the value of all relevant **funds** (including the suspended fund, provided the **fund manager** has made an indicative price available), **cash** and **ETIs** in your **account**. However, we will pay the agreed fee from **cash** and by selling **units** (as described in section 1.1(a) from the active **funds** only. If the only **fund** (including any **ETIs**) within your **account** is suspended we will accrue the fee(s) during the period of the suspension. Once the suspension is removed, any fees accrued will be deducted in line with 1.1 (a). We will also adopt the process described in (a) and (b) to meet the Service Charge.
- c) If any transactions involving selling **units** in any **funds** are being processed on the **account charge date** (or **account** anniversary for adviser initial regular fee if different), we will not sell **units** to pay the **adviser fee, discretionary management portfolio fee** or Service Charge until all earlier transactions have been completed, even if the **funds** in the other transactions are different from those being sold to pay the **adviser fee, discretionary management portfolio fee** or Service Charge.
- d) Where we sell **units** to meet fees for your adviser or a **discretionary management portfolio fee** for your **DIM** or our Service Charge, we sell six times the value of the fees and/or Service Charge subject to a minimum value of £25 and a maximum of 0.75% of your **account** value. We will place the residual amount in **cash** within your **account**. This provides sufficient **cash** to meet future fees and/or our Service Charge without needing to sell further **units** from your **funds** and **ETIs** on a frequent basis. We do this to allow other transactions to process in a timely manner, for example withdrawals and **switches**, which could otherwise be delayed if frequent **fund** sales were still in progress.

1.2 Treasured funds and ETI's

- a) As described in section 1.1, charges and fees will be met using **cash** within your **account**. If there is insufficient **cash** at the time a payment is due, **units** will be sold to meet the shortfall as described throughout this guide. To avoid the charges associated with transacting in **ETIs**, these will not be included in the sale of **units** to meet charges and fees.
- b) In addition to **ETIs** you can choose specific **funds** to be excluded from the sale of **units** to meet charges and fees. We refer to these as '**treasured funds**'. Where you have selected **treasured funds**, the sale will be made from the other **funds** (including **model portfolios** and **Managed Portfolios**) proportionally, based on their value at the time of sale.
- c) Where there is insufficient **cash** at the time a payment is due and you are only invested in **ETIs** or **treasured funds** or your other **assets** which are not treasured are currently suspended, the charge or fee due will be held as a debit value.

You, your **financial adviser** or the **DIM** have 30 days from the date the charge is due to provide us with new **instructions** in order to clear the debit balance. If any of the debit balance remains outstanding after the 30-day notice period we will sell **units** from all of your **funds** proportionally, based on the value of your **account** at the time of sale. If a debit balance remains outstanding after the sale of **funds**, we will sell sufficient **units** from your largest **ETI** holding to clear the debit balance remaining. If the largest **ETI** holding is insufficient to clear the debit we will sell the next largest **ETI** and so on until it is cleared.

2. Our charges

2.1 Service charge

- a) The Service Charge is an annual charge based on the total value of any investments you have with Quilter. It will be deducted monthly in arrears from the accounts and bonds that are subject to the Service Charge (referred to as Product Charge on the Collective Retirement Account and Collective Investment Bond). The Service Charge covers the cost of holding or administering these investments and carrying out your instructions by arranging the sale and purchase of **funds**. Arranging the sale and purchase of **ETIs** carries additional costs as described in section 2.4.

Quilter provides you with access to an ISA, a Junior ISA, a Collective Investment Account, a Collective Retirement Account and a Collective Investment Bond

- b) We calculate the Service Charge daily and deduct it in monthly instalments. Therefore, if the total value of your accounts or bonds changes in future as a result of market movements, withdrawals, or additional investments, the Service Charge will vary accordingly.

- c) The daily charge is calculated as $1/365.25^*$ of an annual Service Charge calculated using the following table. The monthly charge will be the sum of the daily calculations in the previous month.

Total Investment Value	Annual Charge Rate
First £25,000	0.50%
From £25,000+ to £250,000	0.30%
From £250,000+ to £750,000	0.25%
More than £750,000	0.15%

*we use 365.25 instead of 365 to account for leap years.

Each percentage rate applies to its relevant band rather than a single rate applying to the total amount. For example, if the total value is £150,000, £25,000 will be charged at 0.50%, and the next £125,000 at 0.30%. This results in an overall effective charge rate of 0.33% for each account or bond. The charge is calculated by taking into account the total value of your investments with Quilter whatever Charge Basis they are held on. The effective cost can therefore be significantly lower if you have additional holdings on the platform.

- d) The Service Charge is calculated daily and deducted on the relevant **account charge date**. If we are unable to deduct the charge on the **account charge date**, due to other transactions in progress on the **account**, we will deduct it on the first **working day** after the other transactions are complete.

2.2 CHAPS charge: £23.00

If you request payment of a withdrawal by **CHAPS**, we will deduct the **CHAPS** charge from your **account** in addition to your withdrawal. If you request a closure, we will deduct the **CHAPS** charge from the closure proceeds before we pay you.

2.3 Additional charges

- If your **account** is closed for any reason, we will retain any amount of £10 or less remaining in your **account**, for example, income received after the **account** is closed, and treat it as a miscellaneous charge.
- We may agree with you to make an additional charge to cover any administration costs we incur in providing any additional services you request that are not included in this **agreement**.

2.4 ETI transaction charges

a) Dealing Charge

For each transaction which involves buying or selling **ETIs** within your **account** we will take a charge to cover the costs we incur as a result of the transaction. These are described below:

Transaction type	Annual Charge Rate
Buy and sell instructions within a model portfolio	£1 charge
Buy and sell instructions outside of a model portfolio of £10,000 or less	£3.50
Buy and sell instructions outside of a model portfolio above £10,000	0.035% with a maximum charge of £15

For buys, the Dealing Charge will be deducted from the investment with the remainder buying the chosen asset. For sell transactions the Dealing Charge will be deducted from the sell proceeds.

b) Associated costs

- PTM levy** – A £1 charge is applied when you sell or buy **ETIs** with an aggregate value in excess of £10,000. The charge is deducted by our **stockbroker** when processing your **instruction**.
- Stamp duty – A 0.5% charge (of the transaction value) is applied when you buy units in certain **ETIs**.

2.5 Managed Portfolio Service Charge

- Where your **financial adviser** chooses to offer you the **Managed Portfolio Service** we will deduct a **Managed Portfolio Service Charge** on a monthly basis from your **account**. The charge is expressed as a percentage of the investment held within the **Managed Portfolio Service**. Depending on the **Managed Portfolio** chosen the charge may differ. Your **financial adviser** will confirm the percentage applicable.
- The **Managed Portfolio Service Charge** will be calculated daily from the date your **financial adviser** offers you the **Managed Portfolio Service**. The daily charges will then be added together and deducted from your **account** on the **account charge date**.
- If we are unable to deduct the charge, due to other transactions in progress on the **account**, we will deduct it on the first **working day** after the other transactions are complete. We will meet the charge by using **cash** held or, where there is insufficient **cash**, by deducting **units** proportionally from all the **funds** (including **model portfolios** and **Managed Portfolios**) in your **account** to meet the shortfall in line with section 1.

- d) If we receive **instructions** to end the **Managed Portfolio Service**, or any event under 43.8 occurs, we will stop any further **Managed Portfolio Service Charge** accruing. Any daily charge accrued to this point will be deducted on the next **account charge date**.

2.6 VAT and rates

All our charges are exclusive of VAT.

These charges are our current rates and may change in the future. We may also introduce new charges or change the way that we calculate our charges. We will let you know in advance of any change to our charges.

More details are in our guide Making the cost of investment clear. The guide is available from your **financial adviser**.

3. Adviser and discretionary investment manager (DIM) fees

3.1 Adviser charging

- a) Under **Adviser Charging**, we can pay fees to your **financial adviser** on your behalf by deducting them from your **account** or investment.

Adviser fees will not be deducted during the period we are waiting for confirmation of your authorisation. We will not backdate these fee payments and will only pay those that become due following confirmation of your authorisation.

- b) We can facilitate the payment of the following types of **adviser fee**:

i) **Adviser initial fee**

This fee is deducted at the same time a lump-sum investment is made into your **account**. The fee can be expressed as a specific amount of money or as a percentage of your investment. We will deduct the fee from the money we receive from you, before the investment is made into your **account**. We do not offer the facility to deduct an initial fee for investments made by **transfer** except where it is a **cash transfer**.

ii) **Adviser initial regular fee**

This is a way to pay your **financial adviser** for services connected to regular investments into your **account**. The fee is expressed as an amount of money and is deducted from your **account** for a maximum of 24 months (or 2 annual collections for annual regular investments). For annual collections, the fee is being taken in month 0 (i.e. straight away) then month 12.

For example, a fee of £1,200 paid over 12 instalments for advice given in relation to a regular monthly investment would be deducted in instalments of £100 per month.

The adviser initial regular fee is deducted on the day of the month on which your **account** was opened. If we are unable to deduct the fee on this date, due to other transactions in progress on the **account**, we will deduct it on the first **working day** after the other transactions are complete. We will meet the fee by using **cash** held or where there is insufficient **cash** by deducting **units** proportionally from all the **funds** in your **account** to meet the shortfall in line with section 1.

If you choose to cancel your regular investment, the adviser initial regular fee linked to the regular investment will also be cancelled. If a regular investment fails to collect an initial regular fee will still be deducted.

iii) **Adviser ongoing servicing fee**

This is an annual fee that you agree with your **financial adviser** for ongoing services in relation to your **account**. The fee can be expressed as a specific amount of money or as a percentage of your **account** value.

The fee is deducted monthly, quarterly, half yearly or yearly. If you authorise us to deduct the fee monthly, quarterly, or half yearly:

- for fees of a specific amount of money, we calculate the fee daily. The daily fee is the annual amount divided by 365.25. The fee deducted at the end of each selected period (monthly, quarterly, or half yearly) is the sum of the daily calculations for the period.
- for fees agreed as a percentage, we will calculate the fee daily. The daily fees will then be added together and deducted at the end of each selected period (monthly, quarterly, or half yearly).

The fee is deducted on the relevant **account charge date**. If we are unable to deduct the fee on the **account charge date**, due to other transactions in progress on the **account**, we will deduct it on the first **working day** after the other transactions are complete.

We will meet the fee by using **cash** held or where there is insufficient **cash** by deducting **units** proportionally from all the **funds** (including **model portfolios** and **Managed Portfolios**) in your **account** to meet the shortfall in line with section 1.

iv) **Adviser ad hoc fee**

A one-off fee payable to your **financial adviser**. It is expressed as a specific amount of money. We will deduct the fee from **cash** held within your **account**. If there is insufficient **cash**, we will meet the shortfall by selling **units** proportionally from all **funds** (including **model portfolios** and **Managed Portfolios**) within your **account** in line with section 1.

c) All **adviser fees** are assumed to include VAT if applicable.

d) You can amend an **instruction** for the following **adviser fees**:

- Adviser initial regular fee
- Adviser ongoing servicing fee

You must give us at least ten **working days'** notice to amend an **adviser fee**.

e) You cannot cancel an **adviser fee** once it has been deducted.

f) If you change your **financial adviser**, we can pay **adviser fees** to your new **financial adviser** on your behalf, in line with term 2.10.

g) After we have deducted a fee, we will hold it on behalf of your **financial adviser** and as such it will cease to be treated as your money. We will then pay it to your **financial adviser** in line with the terms agreed with them.

The amount and frequency of **adviser fees** and the basis on which they are deducted from your **account** are a matter between you and your **financial adviser**. If you have any questions about these fees, you should therefore speak to your **financial adviser**.

3.2 Discretionary management portfolio fee

a) We can pay fees to your **DIM** on your behalf by deducting them from your **account**. You can agree an annual fee with your **DIM** for ongoing services in relation to your **discretionary managed model portfolio**. The fee is expressed as a percentage of the investment held within the **model portfolio**.

b) The **discretionary management portfolio fee** will be calculated daily from the date authorised. The daily fees will then be added together and deducted from your **account** on the first **working day** of each month due.

c) If we are unable to deduct the fee, due to other transactions in progress on the **account**, we will deduct it on the first **working day** after the other transactions are complete. We will meet the fee by using **cash** held or where there is insufficient **cash** by deducting **units** proportionally from all the **funds** (including **model portfolios** and **Managed Portfolios**) in your **account** to meet the shortfall in line with section 1.

d) If we receive **instructions** to end the appointment of a **DIM**, or we cease to act on the **instructions** of the **DIM**, we will stop any **discretionary management portfolio fees** to the **DIM** on your behalf, as outlined in term 36.4.

4. Rebates

4.1 **Fund managers** pay us annual management charge **rebates**, which we **reinvest** in the **funds** from which they originate.

a) The **fund manager** will usually pay this **rebate** to us on a monthly basis.

b) Any **rebates** generated by the **funds** in your **account** belong to you, and we use these **rebates** to buy further **units** in the **fund** that generated them. If the **fund** is part of a **model portfolio** or **Managed Portfolio**, then the **rebate** will be reinvested into the **model portfolio** or **Managed Portfolio** as **cash**. We have negotiated these **rebates** on your behalf with the **fund managers** and they represent a discount on the usual **fund manager** charge

c) A **rebate** will be allocated to you if you held the **fund** within your **account** during the month. Where you have only held the **fund** for part of the month you will only be eligible for a proportion of the **rebate**. Any **rebate** received for your **account** will be **reinvested** into the **fund** from which the **rebate** was received, up to ten **working days** after we receive it from the **fund manager**, unless it is below our minimum value for **rebates**. The **rebate** will usually be paid by the **fund manager** within three months of the month end for which it is calculated. You will receive the price applicable on the day the **reinvestment** is applied to your **account**. The calculation of **rebates** to be allocated will exclude any transactions involving the sale or purchase of **units** that are in progress when the calculation is carried out.

For example, a **rebate** for 30 June may be paid by the **fund manager** on 30 September, and may be credited to your **account** on 12 October.

d) We will not **reinvest rebates** received into the **fund**, from which the **rebate** was received, where the value is below our minimum for **rebates**. The **rebate** will instead be held as **cash** within your **account**.

e) If your **account** has subsequently been closed, we will still pay any remaining **rebate** entitlements in line with term 19.6.

Our minimum amounts are set out in the **Account eligibility and requirements guide**.

- f) If a **fund** generating a **rebate** is closed or suspended or the **fund** generating the **rebate** is part of a **model portfolio** or **Managed Portfolios** which has been closed by your **financial adviser** or **DIM** the **rebate** will be held as **cash** instead of being **reinvested**.
- g) The transaction to buy additional **units** with a **rebate** payment is known as a '**reinvested rebate**'.
- h) Calculations for the **reinvested rebate** will be performed daily based on the value of the related **fund** in your **account** at the end of each day, excluding any transactions that are in progress. At the end of each month these daily values will be added together to provide a monthly entitlement to the **rebate**.

Account eligibility and requirements guide
